2013	Our MOST program is visible in Monterey County and many are now accessing our services, specifically, housing and mental health and medical services and basic needs. Staff has reported that calls for outreach services has doubled and even tripled in the last three months. Because of the aggressive outreach efforts, an increase in housing referrals has been noted this past quarter. Note these numbers reported are only for unincorporated areas not including other service areas in Monterey County.

2013	Legal Services for Seniors has focused on increasing the number of Monterey County citizens who know of our services. We have participated in housing fairs as noted in earlier quarter reports, have continued with our 'Home Again' cooperative mortgage foreclosure counseling and foreclosure program. We also have engaged in radio interviews, news interviews and other types of media presentations. This has brought more individuals to us, many in the form of landlord tenant questions and problems with improper unlawful detainer issues.
