¹ Growth Factors calculated from the California Department of Finance Table 2: E-4 Population Estimates. County average was used when a specific city or region was not listed.

² Based on percentage of Households with incomes below the CDE income ceiling of \$50,256 for a family of 4. Resource: US Census American Factfinder QT-P32 Income Distribution. County average used in areas not outlined in the report.

³ Reported by the Monterey County Department of Social & Employment Services - CalWORKs Child Care January 2009 (may include children that are receiving other assistance, no current methodology to separate out child care assistance only cases).

⁴ Reported by Children's Services Incorporated for January 2009.

⁵ Pajaro children population includes all areas of Watsonville including portions of Santa Cruz County. Growth Factors calculated from the California Department of Finance Table 2: E-4 Population Estimates.
