

Monterey County Veteran Treatment Court Peer Mentor Program

Information Brochure

Veterans Treatment Court (**VTC**) mission is to assist justice-involved veterans along with their families to improve the quality of life and return them back into the community as productive members of society.

This will be accomplished through collaborative efforts, **Peer Support Volunteers**, Justice partners, Veterans Administration Services and Community based agencies and organizations.

We focus on providing support with **Dignity**, compassion without **Charity** and enhancing public safety while leaving **No Veteran Behind**.

Peer Mentor Program

The program's mission is to insure that every Veteran participant receives the necessary services required by helping them navigate the system and acting as support mentor, advocate, and ally.

Mentor Process: Keep it Simple

- All Mentors are Veteran Advocates
- You are a resource for the Veteran Participant
- Help Veteran & Family navigate systems
- Make sure VA Healthcare & any claims are in place
- 75% of the time, you are just a friend
- Training is in how to navigate systems, not in "counseling"
