We hope you can join us on **Wednesday, June 20th, at 4:00 p.m.** to participate in a Salinas River Long-Term Management Plan (LTMP) Public Workshop. The intention of the Salinas River LTMP is to address and consider topics such as MCWRA's facilities and operations, ood risk reduction, endangered species management, water supply facilities, natural resource conservation, stream maintenance, lagoon management, groundwater planning, and federal and state permitting.

This important planning process is just kicking o so we encourage you to stop by to learn more and share your thoughts on LTMP issues MCWRA should consider.

For more information, please contact Elizabeth Kra t, *krafftea@co.monterey.ca.us*, 831.755.4860.
