

ADDENDUM No. 01

TO THE CONTRACT DOCUMENTS FOR THE 2019 CASTROVILLE SEAWATER INTRUSION PROJECT (CSIP) WELL DESTRUCTION PROJECT BID NO. 19-002

Date: May 2, 2019

To: All Plan Holders

The following clarifications, changes, additions and/or deletions are hereby made a part of the Contract Documents for the construction of the above referenced project as fully and completely as if the same were fully set forth therein. Acknowledgement of receipt of this Addendum in the space provided in the Bid Form is required. Failure to do so may subject the Bidder to disqualification.

Please note that Addendum No. 01 consists of two (2) pages.

I. Clarifications and Changes to the Bidding Contract Documents:

Exhibit B – Technical Specifications:

1. General Requirements Section 01030 – Add the following paragraph:
 - D. “For Well 10E02, and Bid Items #2-7, WORK shall commence at the end of the crop growing season (between the months of October/November), and shall be completed within the time allowed by the Monterey County Health Department Environmental Health Bureau. A separate Notice to Proceed to complete the WORK for Bid Items #2-7, will be giving to the CONTRACTOR by of the ENGINEER”.

2. General Requirements Section 01070 – Add the following statement:

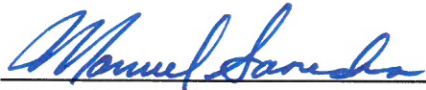

“All water resulting from the WORK must be contained on site. Mud pits are not allowed. Well cuttings can be temporarily stock piled on site during well destruction work, and at completion of WORK must be disposed off-site in accordance with applicable local, state and federal requirements and standards”.

3. General Requirements Section 01080 – Add the following statement:

“CONTRACTOR shall bear all responsibility and cost for determining the location of all utilities found on work site prior to any digging”.

4. General Requirements Section 01080 – Add the following statement:

“CONTRACTOR shall bear all cost and responsibility for providing potable water for well destruction work. Potable water can be purchased from the Castroville Community Services District”.
