

**Planning Commission
Tentative GPU Meeting Schedule
Last Updated 10-20-06**

The following represents a tentative schedule for the Planning Commission to work through the General Plan Update (GPU) and accompanying draft Environmental Impact Report (EIR). GPU elements are listed in the order in which the Planning Commission will address them. Environmental issues from the draft EIR will be addressed as they relate to the element being reviewed. The Commission will continue from element to element as time permits in their meeting. Discussion of elements not completed will carry over to the next scheduled meeting.
