The Monterey County Agricultural Commissioner's Office provides phytosanitary certification on most Saturdays and holidays between the hours of 8:00 a.m. and 12:00 p.m., with the exception of a period between December 17, 2016 through March 11, 2017, due to limited demand. The table above indicates the holiday schedule, for calendar year 2017.

On Saturdays beginning March 18, 2017 and continuing through November 25, 2017, or on any of the above working holidays, you may contact an inspector by calling the weekend/holiday quarantine phone at (831) 759-7355 between 8:00 a.m. and 12:00 p.m. If the Inspector on duty does not answer, please leave a voice-mail message. Calls placed after 12:00 PM (noon) will not be answered. If you leave a voice-mail message, please speak clearly and leave a contact name, company name, phone number, address and brief description of the service you are requesting. Please note: Your call will transfer to the cell phone of the inspector on duty. If you reach the general quarantine voicemail then your call has not gone through properly and you need to try your call again.

Reminder to all Taiwan shippers: No inspections on weekends and/or holidays.
