

Permit Reports Available Online

Several reports related to pending and issued permits are available via the Citizen Access portal. To run these reports, first go to the Citizen Access home page at: <https://aca.accela.com/monterey>. You DO NOT need to register for an account to run the reports.

1. Click on the department link related to the report you wish to run.

2. Click the link in the upper-right hand corner to see a list available reports.

3. Examples of reports available:

- Active Discretionary Planning Applications
- Active Minor Planning Applications
- Planning Projects Currently Scheduled for Hearing
- Year-to-Date Planning Projects approved
- Active Construction Permit Applications
- Construction Permits Issued during the past 40 Days
