This Pricing Schedule for the service(s) identified below ("Service") is part of the Agreement referenced above. Customer requests that its identity be kept confidential and not be publicly disclosed by AT&T or by any regulatory commission, unless required by law.

Customer acknowledges and certifies that the interstate traffic (including Internet and international traffic) constitutes **ten percent (10%) or less** of the total traffic on any Service. This provision is not applicable to a switched access service or a service which is used solely for the transport of AT&T switched access service(s).

Customer confirms receipt of the AT&T customer building / site preparation document for CSME Service, describing the installation requirements at the Site(s).
