

Pesticide Storage Regulations

1. Pesticide storage must be posted when storing pesticides labeled with “Warning” or “Danger”
2. Signs must be:
 - Visible from any direction of approach
 - Readable at 25 feet
 - In English and Spanish

You can purchase pesticide storage signs at the following locations:

Monterey County Farm Bureau: <http://montereycfb.com/index.php?page=order-signs-posters>

Green Valley Farm Supply: <http://www.gvfsinc.com/>

Vegetable Growers Supply Co: <http://www.veggrow.com/>
