Section 5 UNION RIGHTS

5.1 Representation

The Union has the right to represent employees in the representation unit as specified by state law and pursuant to the County Employer-Employee Relations Resolution.

The Union will notify the County and maintain such notice during the term of this Agreement of its elected officers and directors as well as its staff employees.

The Union may select up to ten (10) persons, in addition to its staff members to act as official representatives and will notify the County as to those individuals so selected. Official representatives shall represent the Union in jointly scheduled meetings with the County without loss of pay to address matters of mutual concern.

In addition, with prior mutual agreement, up to two (2) employees directly affected by the matters under consideration may participate in these joint scheduled meetings.

5.2 Union Official Representatives

If a County employee has been designated to be a spokesperson, as a result of a bona fide SEIU Local 521 election, for a bargaining unit of which she or he is not a member, the County employee shall be allowed to represent the members of that bargaining unit in the meet and confer process.

5.3 Union Orientation

The County shall allow Union Representatives twenty (20) minutes of the agenda during department scheduled new employee orientation programs to provide information regarding the benefits and obligations of Union membership. Current employees transferring into a position represented by this Union shall be authorized to attend this portion of the New Employee Orientation. The Union Representative shall not make any comments that malign the County, its employees or officials.

5.4 Steward Program

Union stewards shall mean permanent employees of a department within the same bargaining unit, who are members of and are designated by the Union to assist employees for the purposes of processing grievances. The General Employees Unit shall select up to fifty (50) stewards.

The Union agrees to notify the department head in writing of the names and titles of the departmental steward(s) representing employees in his/her department and shall send a copy of such notice to the Assistant CAO – Human Resources or his/her designee.

Changes to the listing of stewards will be provided by the Union as they occur. Only employees named on the current list will be recognized by the County as stewards of the Union.

Stewards shall be subject to the following:

A. Stewards shall be authorized a reasonable amount of time off without loss of pay to investigate and prepare grievances and disciplinary appeals of employees in the department to which the steward(s) are assigned subject to the restrictions in “I” below.

B. Stewards shall have the right to serve as a representative for employees in grievance matters in accordance with the grievance and disciplinary appeals provisions of the Agreement. No more than one (1) steward may assist in the investigation or processing of a grievance.

C. Before performing grievance and disciplinary appeal work, the steward will obtain the verbal permission of his/her supervisor and shall report back to his/her supervisor when the grievance or disciplinary work is completed.

D. After receiving approval of his/her immediate supervisor, a steward shall be allowed reasonable time off during working hours, without loss of time or pay, to investigate, prepare and present such grievances and appeals. The immediate supervisor will authorize the steward to leave his/her work whenever the supervisor determines that the steward's absence will not interfere with the work of the unit.

Where immediate approval is not granted, the supervisor shall inform the steward of the reasons for the denial and establish an alternate time when the steward can reasonably be expected to be released from his/her work assignment.

E. When a steward desires to contact an employee, the steward shall first contact the immediate supervisor of that employee, advise of the nature of the business, and obtain release by the supervisor to meet with the employee. When, in the best judgment of the supervisor, the investigation would interfere with the work of the unit, the supervisor will notify the steward when he/she can reasonably expect to contact the employee.

F. Stewards shall receive no overtime for time spent performing a function of a steward.

G. Stewards shall not conduct Union business on County time, except as specifically authorized by this Memorandum of Understanding.

H. Stewards shall be responsible for the full and prompt performance of their workload.

I. Stewards may represent employees against whom disciplinary action is pending subject to the following restrictions:

1. The steward agrees that the issues which gave rise to the proposed disciplinary action are confidential in nature and will not be discussed with other employees, representatives or the news media, or others who do not have a direct need to know the details of the proposed discipline. The County may refuse to recognize or to deal with a steward who violates this confidentiality.

2. Department management may require that disciplinary representation in a particular disciplinary appeal only be accorded through stewards who are also employees of the same department or by a Union staff representative.

5.5 Operational Union Access Procedures for NMC

Upon entry to NMC facilities, the Representative shall contact the Human Resources Department by stopping by the Human Resources Department to report their presence and sign-in, and following the same process upon exiting the facility. For the delivery of materials (i.e. ballots, informational flyers, etc.) that do not require more than cursory contact with members, the Representative will follow the same process.

5.6 Union Access

Authorized Union staff representatives shall have reasonable access to work locations in which covered employees are employed for the purpose of transmitting information or

representation purposes. Authorized Union staff representatives desiring access shall first request permission from the appropriate management representative, at which time the authorized representative shall inform the management representative of the purpose of the visit. The management representative may deny access to the work location if in his or her judgment it is deemed that a visit at that time will interfere with the operations of the department or facility in which event the management representative will offer an alternative time and/or location for the visit. In cases where management denies access to a critical patient care area and the issue which gives rise to the request for access is one of employee health or safety, then the department shall provide controlled or escorted access.

The Union shall give to each department head, having employees in the unit, and the Assistant CAO – Human Resources or his/her designee, a written list of the names of all authorized Union staff representatives, which list shall be kept current by the Union. Access to work locations shall only be granted to Union staff representatives on the current list.

Union representatives may request reasonable access to work sites to hold elections over internal union issues. If so approved by the Department Head, an election may be conducted so long as there is no interference with the department's operations. Such access shall not be interpreted as a granting of release time for participation in said election.

5.7 Bulletin Board

The County will furnish for the use of the Union, reasonable bulletin board space at reasonable locations. Such bulletin board space shall be used only for the following subjects:

- Union recreational, social, and related news bulletins;

5.9 Service Fee

A. Deductions

All employees in the unit who have not authorized a union dues deduction shall within the thirty (30) day period following notification of their obligation under this agreement execute an authorization for the payroll deduction of one of the following: 1) Union dues; 2) a service fee equal to the percentage of the regular dues that is used for legally permissible representation costs; or 3) if he/she qualifies, a charity fee equal to the service fee to a tax-exempt charitable organization that has been agreed to.

To qualify for the designated charity fee deduction, an employee must certify to the union that he/she is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations.

Such exempt unit employees will be required to submit to the Union a notarized letter certifying that person's membership in such a religion, body or sect, signed by an official of the bona fide religion, body or sect.

If an employee fails to authorize one of the above deductions within the thirty (30) day authorization period, the County shall notify the employee in writing of his/her contractual obligation to authorize one of the payroll deductions.

If an employee fails to authorize one of the deductions, the Union may seek enforcement through the courts.

B. Service Fee as Condition of Employment

All employees hired into the unit after January 1, 1988 who fail to authorize a union dues deduction or service fee deduction must, as a condition of their continued employment, authorize a service fee deduction within thirty (30) days following the beginning of their employment. The employee may avail his/her self of the options set forth in "A" above. If an employee fails to meet this obligation the Union will make a written request to the County to take the necessary steps to separate that employee from County service. The County will inform the Union of all new hires.

The Union agrees to defend, indemnify and hold harmless the County and its officers, employees and agents against all claims, proceedings and liability arising, directly or indirectly, out of any actions taken or not taken by or on behalf of the County under this article. It is mutually understood by the parties that the County shall retain the right to select its own attorneys and to consult with same in the event the parties jointly declare or

a court determines that a conflict of interest exists with respect to representation of the County by the Union's attorneys.

C. Forfeiture of Deductions

If the balance of an employee's wages, after all other involuntary and insurance premium deductions are made in any one pay period, is not sufficient to pay deductions required by this article, no such deduction shall be made for that period.

D. Financial Documentation

1. The Union has presented a demonstration that the legally permissible costs that may be charged as a service fee to a nonmember equals somewhat more than ninety-five percent (95%) of dues.

The County has not challenged that demonstration and agrees to deduct a service fee equal to ninety-five percent (95%) of dues.

2. The Union shall, within ninety (90) days after the end of each fiscal year, make available to the County financial documentation, which shall meet the requirements of Government Code Section 3502.2.

Such election may be held only once during the term of this Agreement. The verification of the petition and the election shall be conducted by State Mediation and Conciliation Service. Voting shall be by secret ballot, and a majority vote of all employees in the bargaining unit shall be required to rescind agency shop.

2. A unit employee who is subject to the payment of a representation service fee hereunder has certain legal rights to object to that part of the fee payable by him or her which represents the employee's additional pro rata share of expenditures by the Union that is utilized for expenditures not incurred for the purpose of performing the duties incident to effective representation in employer-employee relations. An employee wishing to exercise these rights must contact the Union office at 334 Monterey Street, Salinas, California 93901.

F. Hold Harmless

The Union agrees to indemnify and defend the County and its officers, employees and agents against all claims, proceedings and liability arising, directly or indirectly, out of any actions taken or not taken by or on behalf of the County under this article.

G. Enforcement/Severability

In the event that the service fee provisions of Article 5 are declared by a court of competent jurisdiction to be illegal or unenforceable, the parties agree to reopen this article of this agreement for the purposes of implementing Modified Agency Shop provisions.

If agreeable to both the department head and the stewards, meetings may be more frequent. Meetings shall be held during the department's normal business hours. A steward attending such a meeting during other than his/her normal assigned shift hours shall be paid straight time pay not to exceed two hours. This article is not subject to the grievance procedure.

Section 6 SAFETY

6.1 Work Environment

The County recognizes its obligation and is committed to providing a safe place of employment for its employees. To assist in accomplishing this goal, it is agreed that the County reserves the right to adopt reasonable departmental rules and regulations, which become effective when posted.

The Union agrees that it is the duty of all employees to comply with all reasonable rules and regulations and to be alert to all unsafe places, equipment and conditions and to report any such unsafe practices or conditions to their immediate supervisor.

9.2 Natividad Medical Center will attempt to contact the employee at his/her contact phone number at least one and one half hours prior to his/her scheduled shift.

Once the attempt to contact the employee is made NMC will not be required to pay the employee show up time. The employer shall maintain a log of each attempt to contact the employee. The employee shall be responsible for insuring that NMC is utilizing a valid, current contact number.

9.3 Once an employee is called off duty, the employee is not obligated to make him/herself available for work.

9.4 The employee shall be entitled to two (2) hours show-up pay when an employee is called off duty after reporting to work for their regular scheduled shift.

9.5 The employee may use any Paid Time Off (PTO), compensatory or vacation time that is available in the employee's PTO, compensatory or vacation bank prior to the day they are called off. For purposes of this section, sick leave is not included in the time available for the employee's use.

9.6 In the case of advance notification (as provided for in Section 9.2 above), temporary call offs shall not be for less than four (4) hours or more than forty (40) in any two consecutive pay periods, during which time the employee's insurance benefits will continue.

9.7 Employees may be offered the opportunity, on a voluntary basis, to float to other departments within the hospital depending upon hospital needs and employee skills.

Section 10 OVERTIME

If in the judgment of an appointing authority, extra hours are required to be worked by an employee for the accomplishment of County business, the appointing authority may authorize and require the performance of said extra hours.

Overtime shall be defined a time actually worked in excess of forty (40) hours in a workweek.

Natividad Medical Center (8/80) employees shall work schedules agreed to under exemptions allowed by the Fair Labor Standards Act.

For the purposes of this section the hours and dollars associated with a County holiday (whether actually worked or not), vacation and compensatory time off hours shall be considered as hours worked for the purpose of determining overtime. An individual employee's work schedule shall not be altered for purpose of eliminating overtime compensation equal to that earned as a result of the employee using approved vacation or compensatory time off hours.

Within the same work period (seven (7) days for departments for which overtime is defined as time actually worked in excess of forty (40) hours in a work week, or fourteen (14) days for department for which overtime is defined as time actually worked in excess of eighty hours (80) in a pay period) an appointing authority requiring extra hours to be worked by an employee, may require the employee to flex their work hours equal to the extra hours worked with no less than 30-hours notice to the employee so as not to exceed the overtime threshold for the work period.

10.1 All County job classes shall be designated as either 1) overtime eligible, or 2) overtime exempt. Each of the above categories shall be assigned a special code which shall appear beside each class as listed in the County salary resolution.

10.2 Except as otherwise provided herein, employees in overtime eligible classes shall be compensated for overtime authorized by their appointing authority by either 1) compensatory time off at the rate of one and one-half (1-1/2) hours credit for each hour of overtime, or 2) in cash at the rate of one and one-half (1-1/2) times the employee's regular rate of pay.

An employee shall not be allowed to accumulate more than eighty (80) hours of compensatory time off, above which maximum all overtime compensation shall be paid in cash.

All hours worked by non-exempt employees and designation of overtime as compensatory time or cash, shall be reported on payroll sheets submitted to the Auditor-Controller each pay period, and a balance of compensatory time off shall be kept on the employee's check stub. The use of compensatory time off shall be administered by the appointing authority.

A. Forensic Evidence Technician rules regarding CTO

For Forensic Evidence Technicians the method of compensation shall be determined by the appointing authority after consulting the affected employee, except that Forensic Evidence Technicians shall be allowed to accumulate up to one hundred sixty (160) hours of compensatory time off, after which maximum all overtime shall be paid in cash.

B. Communications Dispatch rules regarding CTO

For Communications Dispatcher I/II, the method of compensation shall be determined by the appointing authority after consulting the affected employee.

The employees in these classifications shall be allowed to accumulate up to one hundred sixty (160) hours of compensatory time off (CTO), after which maximum all overtime shall be paid in cash.

C. CTO Balance is under 40 hours

The method of compensation (cash or accrual) shall be determined by the Appointing Authority after consulting the affected employee as long as the employee's compensatory time off accrual balance is no more than forty (40) hours.

D. CTO Balance is 40 or more hours

If an employee has a compensatory time off (CTO) of at least forty (40) hours the employee shall have the choice of compensation for overtime by either cash or CTO.

10.3 Employees in overtime exempt classes shall not receive compensation for hours worked beyond forty (40) hours in a work week or eighty (80) hours in a pay period except as may otherwise be authorized by the Board, but may be authorized administrative leave with pay by their appointing authority or his/her designee in the

event that County operations result in extraordinary work assignments for such employees. Such administrative leave shall not exceed two (2) working days in any pay period. The County Administrative Officer may approve additional administrative leave with pay, upon written request from an employee's appointing authority showing special circumstances warranting such leave. Such approval shall be given in writing.

The provisions of this item shall be administered by the appointing authority, but shall in no way establish any right to any type of overtime compensation for overtime exempt employees, regardless of whatever records are kept by the appointing authority.

The County agrees to observe all requirements of the Fair Labor Standards Act regarding the compensability of travel time as work time.

10.4 For all other unit job classes that are overtime eligible:

A. The method of compensation shall be determined by the Appointing Authority after consulting the affected employee as long as the employee's compensatory time off accrual balance is no more than forty (40) hours.

B. If an employee has a compensatory time off accrual balance of at least forty (40) hours but no more than eighty (80) hours, the employee shall have the choice of compensation for overtime by either compensatory time off or cash.

C. An employee shall not be allowed to accumulate more than eighty (80) hours of compensatory time off, above which maximum all overtime compensation shall be paid in cash.

Credit for compensatory time off shall be reported on payroll sheets submitted to the Auditor-Controller each pay period, and a balance shall be kept on the employee's check stub. The use of compensatory time off shall be administered by the appointing authority.

10.5 The provisions of this item shall be administered by the appointing authority, but shall in no way establish any right to any type of overtime compensation for overtime exempt employees, regardless of whatever records are kept by the appointing authority.

The County agrees to observe all requirements of the Fair Labor Standards Act regarding the compensability of travel time as work time.

Section 11 SPECIAL PAY PRACTICES

11.1 Shift Differential

A shift differential of one dollar and fifty-five cents (\$1.55) per hour shall be paid to all represented employees who, as part of their regular shift, work at least four (4) hours after 7:00 a.m. and whose shift starts after 12:31 p.m.

11.1.1 Communications Dispatch Designated Regular Hours

Shift differential shall be paid to employees in the Communications Dispatcher classifications (CD I/II) whose work schedule calls for the employee to work at least five hours between 6 p.m. and 6 a.m.

11.1.2 Communications Dispatch Overtime Hours

Shift differential shall be paid to employees in the Communications Dispatcher classifications (CD I/II) who work overtime between 6 p.m. and 6 a.m. on an hour for hour basis.

11.1.3 Communications Dispatch Exclusions:

Shift differential shall not be paid for hours not actually worked (i.e. for holidays, vacations, sick leave or other time in paid status but not worked). Shift differential shall not be paid in increments of less than one hour.

11.2 Standby

Those employees who are placed on standby duty in accordance with rules and procedures established by the County for such duty shall be paid at the rate of two dollars and fifty five cents (\$2.55) per hour. Any worker called by telephone or called out while on standby shall receive a minimum of one (1) hour pay. The intent of the parties is to compensate employees for a minimum of one hour, or time actually worked, whichever is greater. For example, if an employee receives calls at 1:00 p.m., 1:15 p.m., 1:20 p.m., 1:55 p.m. and the last call finishes at 2:10 p.m., s/he is credited for one hour and ten minutes, which under the County's Payroll Time and Leave Reporting policy, would round to one hour and fifteen minutes. And, if an employee receives calls at 1:00 p.m., 1:15 p.m., 1:20 p.m. and 1:45 p.m., s/he is paid for one hour, not four hours. It is not the intent that employees be paid for multiple telephone calls received within a one hour period. While it is understood that the County has the sole authority to change the rules and procedures by which standby is administered, no substantive changes in said rules and procedures will be implemented without notification and an opportunity to respond to the Union. No employee shall be paid for standby duty time and other compensable duty time simultaneously. Time actually worked while on standby duty will be compensated at the employees regular rate of pay.

Standby for NMC Employees

An appointing authority, after receiving written approval from the County Administrative Officer, may place employees on standby duty. Standby duty refers to a situation where an off duty employee holds him/herself available for immediate response as directed by management. No employee shall be paid for standby duty time and other compensable duty time simultaneously.

Employees placed on standby duty shall be paid Two Dollars Fifty-Five Cents (\$2.55) per hour while on standby duty. Holidays shall be compensable for standby duty.

Any worker who is directed by management to return to her/his work assignment after physical departure from the worksite shall, upon returning to the worksite, receive a minimum of two (2) hours at the employee's regular hourly rate of pay. However, call backs within that same two (2) hour window will be counted as the same two (2) hour minimum. Any hours worked in excess of the two (2) hour minimum will be recorded as hours worked and paid at the employee's regular hourly rate of pay. Employees at Natividad Medical Center must clock-in and clock-out upon arrival and departure when returning from/to standby.

Any worker called by telephone to respond to an inquiry by management and not directed to physically return to the worksite shall receive a minimum of one (1) hour at the employee's regular hourly rate of pay. Provisional bilingual designations require certification by the Human Resources Division of demonstrated proficiency appropriate for the needs of the department in the required language.

An employee who has received certification of proficiency appropriate for one position may be required to meet new proficiency requirements if he/she moves to a bilingual designated position, which utilizes a different specialized or technical vocabulary.

Section 19 INVOLUNTARY LEAVE WITH PAY

An employee may be placed on involuntary leave with pay and benefits for a period not to exceed twenty (20) working days upon a determination by the County Administrative Officer that circumstances exist that make the immediate removal of the employee to be in the best interests of the County and that the employee cannot be effectively used in his/her job classification within the department.

The taxability of such uniforms shall be governed by IRS regulations.

Nothing in this section shall be construed to limit the authority of management to require employees to wear a uniform. If employees not covered by the provisions of this agreement are required to purchase or maintain a uniform, the County agrees to meet and confer with the Union concerning a uniform allowance.

Section 21 PERSONAL PROPERTY REIMBURSEMENT

Whenever an employee engaged in assigned official duties on behalf of the County sustains a loss of personal property, through no fault of the employee, that employee shall be eligible for reimbursement for such personal property.

It is understood that any change in the County retirement program would be subject to the meet and confer process as defined in Article 40.

Section 23 JURY DUTY

It is understood that employees represented by Union shall continue to be covered by the provisions of the Personnel Policies & Practices Resolution dealing with Jury or Witness Duty.

To the extent practicable, the County will attempt to accommodate employees on evening or night shift, who are involuntarily called to jury duty, by temporarily assigning said employee to the day shift; so long as such assignment change does not result in a significant reduction in service levels, or require the payment of overtime to cover the shift from which the employee was temporarily reassigned.

Section 24 PROBATIONARY PERIOD

24.1 Term of Probationary Period

Upon each appointment to a permanent position, an employee, except as outlined below, shall serve a probationary period of nine (9) months dating from the date of his/her appointment. During the probationary period, an employee has no right to appeal and serves at the pleasure of the appointing authority.

Employees newly appointed into the job classes of Communications Dispatcher I and Communications Dispatcher II shall serve a one (1) year probationary period. During the probationary period, an employee has no right to appeal and serves at the pleasure of the appointing authority.

Employees of the Department of Social Services reclassified into a new position shall be required to serve a new probationary period pursuant to Merit Systems requirements.

Prior to the conclusion of the nine (9) month probationary period and with approval of the County Administrative Office, the appointing authority may, for cause, extend the probationary period upon furnishing the employee with a statement of the reasons for such extension and the standards that must be met in order for the employee to successfully complete the probationary period.

During the nine (9) month probationary period, a minimum of two (2) performance evaluations shall be completed no later than four (4) and eight (8) months after the initial appointment date.

For those employees serving a one (1) year probationary period, a minimum of two (2) performance evaluations shall be completed no later than five (5) and ten (10) months after the initial appointment date.

An employee who has successfully completed the probationary period will be eligible for advancement to the next higher step in a salary range upon completion of one (1) year of continuous service in his/her class. If the County Administrator determines that due to an administrative or clerical error or omission an employee failed to complete probation or to receive a step advancement on the date on which he/she was otherwise eligible, the employee shall be removed from probation or advanced one step effective on the date he/she became eligible.

24.2 Employees Terminated During Probation in a Promotional Class

The parties reaffirm their understanding that employees who have been promoted and thereafter are dismissed during probation in such promotional class, enjoy no procedural or substantive rights. However, to lessen the impact of a dismissal on such employees, and so that the skills possessed by such employees shall be retained, such employees may be returned to their former class if a vacant position exists in that class.

If an employee is not returned to his/her former class, she/he may elect to follow the procedures outlined in section 26.4 "Reemployment of Employees Laid Off" paragraph 3 of this Memorandum of Understanding for placement on a preferred eligible list. An employee electing to pursue placement on a preferred eligible list must notify the Human Resource Manager of his/her desire to do so within five (5) working days of notification that she/he will not be returned to his former class.

The decision to place such a dismissed employee on a preferred eligible list shall be in the sole, exclusive, and unreviewable discretion of the County. No action taken by the County concerning an employee dismissed while serving a probationary period shall be subject to appeal, review, or to any grievance procedure or arbitration procedure whether such procedure be contained in this Memorandum of Understanding, the Personnel Resolution of the County of Monterey, the Employee Relations Resolution of the County of Monterey, or any other statute, ordinance, resolution or agreement. This article shall not impair the liberty interest rights of any employee.

Section 25 GRIEVANCE PROCEDURE

25.1 Grievance Defined

A grievance is defined as a dispute over the interpretation or application of this Memorandum of Understanding by an employee adversely affected thereby, but shall not include the following:

- A. Disciplinary actions as defined herein which shall be subject to appeal through the procedure Contained in this Agreement for the appeal of disciplinary actions;
- B. Complaints regarding Affirmative Action, Occupational Health and Safety, Workers' Compensation or discrimination complaints based on age, race, color, religion, sex, national origin, marital status, ancestry, handicap or sexual orientation or the applicable procedures for such complaints;
- C. The exercise of any County rights as specified in this Memorandum, so long as the exercise of such rights does not conflict with other provisions of this Agreement;
- D. Any impasse or dispute in the meeting and conferring process, or any matter within the scope of representation;
- E. Any matter for which a different appeals procedure is provided either by statutes, ordinances, resolutions, or agreements.

The Union shall be entitled to file a grievance behalf of an employee adversely affected by a grievable matter.

The Union may file a grievance on its own behalf only on those matters which pertain to the rights of the Union as an organization as specified in Article 5 of this Agreement.

25.2 Limited Grievance Procedure Application

An employee shall be entitled to file a grievance which alleges that the County has failed to provide a specific condition of employment which is established by the Personnel Policies & Practices Resolution provided that the enjoyment of such right is not made subject to the discretion of the department head or the County, and provided further that the condition of employment which is the subject matter of the grievance is a matter

within the scope of representation as defined in California Government Code Section 3504. Such limited grievances may not be appealed to arbitration.

25.3 No Discrimination

There shall be no restraint, interference, coercion, discrimination or reprisal against any employee for exercising any rights under the grievance procedure.

25.4 Time Limits

The time limits set forth herein are essential to the grievance procedure and shall be strictly observed. The time limits may be extended by agreement of the parties, however, any such extension must be confirmed in writing or in email.

The grievant has the right to promptly proceed to the next step within the prescribed time limits if the appropriate management representative fails to respond within the time limits specified.

Failure of the aggrieved employee to file an appeal within the prescribed time limits for any step of the procedure shall constitute abandonment of the grievance.

25.5 Grievance Procedure Steps

Step 1 Discussion with Immediate Supervisor

A. The grievant shall first discuss the grievance informally with his/her immediate supervisor, or in his/her absence, the next level manager. The discussion shall be held within fifteen (15) working days of the action causing the grievance or of the date the action reasonably could have been expected to be known to the grievant. In no event shall any grievance be accepted for consideration more than six (6) months from the date of the action causing the grievance, regardless of the date the action became known to the grievant. Where mutually agreed by the County and the grievants, grievances involving more than one grievant may be filed directly at Step 2.

B. Every reasonable effort shall be made to resolve the grievance at this level. The immediate supervisor shall verbally respond to the grievant within five (5) working days of the informal discussion between the grievant and supervisor.

Step 2 Formal Written Grievance

A. In the event the employee believes the grievance has not been satisfactorily resolved, a grievance will be submitted in writing to the department head within ten (10) working days after receipt of the immediate supervisor's verbal response. One (1) copy of the grievance shall be filed with departmental Human Resources and County Labor Relations. Such written grievance shall:

1. Fully describe the grievance and how the employee(s) was/were adversely affected;
2. Set forth the section(s) of the Memorandum of Understanding, allegedly violated;

3. Indicate the date(s) of the incident(s) grieved;
4. Specify the remedy or solution to the grievance sought by the employee(s);
5. Identify the grievant and be signed by the grievant;
6. Identify the person, if any, chosen by the grievant to be his/her representative.

B. No modifications in the basic violation being alleged pursuant to this grievance procedure shall be made subsequent to filing of a grievance unless mutually agreed to by both the County and the grievant or the grievant's representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or the grievant's representative.

The department head or his/her designee shall hold a meeting with the grievant within seven (7) working days of the receipt of the appeal. The department head or his/her designee shall deliver his/her written decision to the grievant and/or his/her representative with three (3) working days of the date of the grievance meeting. The department head's or his/her designee's decision shall include the reasons on which the decision is based and the remedy or correction which has been offered, if any, to the grievant.

Step 3 Assistant CAO – Human Resources Mediation

- A. If a grievance is not settled at Step 2 of the procedure, the grievance may be appealed, in writing to the Assistant CAO – Human Resources or his/her designee within ten (10) working days from the receipt of the department head's or his/her designee's written decision.

Said grievance appeal must specifically set forth the reason the answer(s) previously provided by management is/are not satisfactory.

- B. The Assistant CAO – Human Resources or his/her designee shall hold a meeting with the grievant within seven (7) working days of the receipt of the appeal.

The Assistant CAO – Human Resources or his/her designee shall deliver his/her written decision within ten (10) working days of the date of the meeting.

- C. In the event a represented employee chooses to waive a hearing by the Assistant CAO – Human Resources or his/her designee, the Union on behalf of the employee shall, within the ten (10) day appeal period, make a written request to the Assistant CAO – Human Resources or his/her designee to seek within ten (10) working days the assistance of a mediator from the State Conciliation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance except by agreement of the Union and the County. In the event the grievance is not resolved, neither evidence nor concessions agreed to or offered during mediation shall be admissible at the subsequent hearing.

If the grievance is not resolved through mediation, the Assistant CAO – Human Resources or his/her designee shall issue a written decision.

Step 4 Arbitration

A. If a grievance is not settled at Step 3 of the procedure, the union and only the union may appeal the grievance in writing to the County Administrative Officer within ten (10) working days from the receipt of the Assistant CAO – Human Resources or his/her designee's written decision.

B. The parties shall select a mutually acceptable arbitrator. The fees and expenses of the arbitrator; the transcript for the arbitrator; and the court reporter shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

C. The decision of an arbitrator shall be final and binding upon the parties but shall not add to, subtract from, nor otherwise modify the terms and conditions of this Agreement.

D. The parties expressly agree that the term of this section shall expire as of the expiration date of this contract and that the status quo shall revert to a situation where there is no arbitration of grievances that occur after the expiration date of this agreement until or unless the Board of Supervisors approves a successor agreement.

25.6 Notice of Meetings

The County and the grievant or the grievant's representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.

25.7 Representation

A. The employee has the right to the assistance of one (1) employee representative/job steward in addition to a staff representative of the Union in the preparation and/or presentation of his/her grievance in Steps 1 through 4 of this procedure provided, however, that supervisory employees shall not represent nonsupervisory employees.

B. An employee is also entitled to represent him/herself individually at any step of the grievance procedure, except in the arbitration procedure outlined in this Agreement.

Only the Union may file for arbitration of a grievance.

C. A grievant may not change his/her designation of representative organization during the processing of a grievance, except by mutual agreement of the parties.

D. If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.

25.8 Grievance Withdrawal

The grievant and his/her representative may withdraw the grievance at any stage of the grievance procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Human Resources Division.

25.9 Grievance Resolution

If a grievance is resolved at Step 2 or 3 in the procedure as provided herein, the grievant concerned shall indicate acceptance of the resolution by affixing his/her signature in the appropriate space indicated. If the employee has been represented by the Union at the Step of the procedure at which a resolution is reached, the Union representative shall also sign the appropriate document acknowledging that the employee has accepted the resolution.

Decisions on grievances where an employee represents him/herself shall not be considered precedent setting or binding with regard to any future grievances filed with respect to the same or similar matters.

25.10 Consolidation

The County may consolidate grievances, where, in its discretion, the grievances present substantially similar issues.

The Union may file group grievances at the second step of the grievance procedure within fifteen (15) working days of the action causing the grievance or of the date the action reasonably could have been expected to be known to the grievants by listing each person who claims to be adversely affected and all other data required in this article.

If a grievance involves multiple employees within the same unit/department with the same supervisor, the grievance shall start at step one (1).

25.11 Processing Grievances

The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

A. Neither a grievant nor a grievant's representative who is a county employee shall suffer any lost pay for attending any regularly scheduled grievance hearing required by the procedure herein set forth.

B. A grievant or a grievant's representative shall notify their supervisor as soon as possible of scheduled grievance hearings and of any changes in the time or date of scheduled hearings in which they must participate.

C. In no event shall a grievant be represented by more than one county employee at the grievance hearings.

Section 26 LAYOFF PROCEDURES

26.1 Policy

The County may layoff an employee because of lack of work, lack of funds, material change in duties or organization, or in the interest of economy or causes outside the County's direct control.

The County shall inform Union regarding the effects of any planned reduction in force or layoffs which will affect a department's work force.

The department shall contact the Union and offer to discuss the possible reduction and to invite suggestions for possible cost saving alternatives to layoffs. If alternatives to layoffs are not developed by the time the department determines a layoff should occur, the procedure outlined in Section 26.2 below shall be followed.

Departments and employees covered by other layoff procedures; i.e., Local Agency Personnel Standards, State Merit System, or Anti-recession Federal Regulations, shall be governed by those procedures.

26.2 Procedure

Layoffs will be determined within County departments, not the County as a whole. In the event of a reduction in force in a department, the department head shall designate the classes, positions, and number of employees to be eliminated. The department at this time shall provide the Union with a current seniority list for those employees and classes affected.

Layoffs shall be made among all representation unit employees in the same class series within a County department in the following order:

- Temporary employees
- Probationary new employees (excluding promotional probationary employees)
- Seasonal employees*
- Permanent employees

*Excluding the Agricultural Department.

No permanent employee within a department shall be laid off in any class if there are temporary employees in an active status in the same class within that department. Layoff shall be by ranking sequence of employees except as otherwise provided herein.

A. Rank in Class Defined

For purposed of layoff rank shall be defined as the length of continuous service in a class series as determined by County personnel records while occupying a permanent position

within the County. Continuous service for purposes of ranking for layoff shall be defined to include work related injury leave of up to one (1) year's duration.

B. Natividad Medical Center – Temporary Status Option

A permanent employee of Natividad Medical Center subject to layoff shall be entitled to assume temporary employee status in lieu of layoff provided the employee is qualified to assume the duties and responsibilities of an existing temporary position and class. No new temporary positions shall be created for the sole purpose of eliminating permanent employees.

C. Order of Layoff, Exception to Ranking Sequence

Layoffs of employees within each category of employment status within a department and within a class series shall be based on ranking sequence unless it can be demonstrated that: 1) an employee possesses special skills, training, or abilities, or 2) the employee's past job performance or disciplinary record justifies an alternative ranking, or 3) the employee may be, by virtue of ranking sequence subject to disparate treatment.

D. Ranking in Previous Class

A permanent full-time employee may elect to be ranked with employees in any class in the same department with the same or lower salary in which the employee has served in permanent status in the County service. An employee must notify his/her appointing authority within two (2) days after receipt of written notice of layoff of election of this option except if the second day following notice of layoff is not a regularly scheduled work day, the employee may give notice on the next work day.

E. Demotion in Lieu of Layoff

In lieu of layoff, the department head may offer a permanent employee a demotion to any class for which the employee is qualified. Employees demoted in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure. An employee who accepts a demotion in lieu of layoff shall have the right of restoration to his or her former class when an opening occurs and his or her ranking sequence warrants restoration subject to the provisions of Section 26.4 below.

26.3 Notice

Written notice of layoff shall be served on the affected employees in person or mailed by the United States Postal service to the employee's latest address on file with the County. The layoff notice shall be served or mailed at least twenty-one (21) calendar days prior to the expected effective date of separation unless delay results from consideration of demotion under the provisions of Section 26.2.4.

The notice shall include:

- The reason for the layoff.
- The effective date of the action.
- A reference to the provisions governing reemployment.
- Notice that employment counseling is available.

A copy of the notice shall be given to the Union.

26.4 Reemployment of Employees Laid Off

The names of persons laid off under these procedures shall be maintained on a departmental recall list for the class series from which the employee was laid off for a period of one (1) year from the date of layoff. When using a departmental recall list to fill a position in a class from which layoffs have occurred within the one (1) year recall period, the department head shall reemploy laid off employees from the appropriate departmental recall list in inverse order of layoff. During the one (1) year recall period, no new employee shall be hired nor shall any employee be promoted to a class from which layoffs have occurred until all employees on layoff status in that class have had the opportunity to return to work.

However, when the best interest of the County requires an employee with demonstrated special qualifications, skills or training, or for affirmative action considerations, the department head may make an exception to the above order of recall to appoint an employee out of ranking sequence.

Every employee given notice of layoff may request employment counseling and evaluation in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a preferred eligible list. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, laid off employee's name shall be placed on a preferred eligible list for each class designated as a result of the counseling and evaluation. When the Human Resources Division receives a request to refer applicants to a department for a vacant position in a class for which there exists a preferred eligible list, the laid off employee on the list shall be considered for employment prior to any job applicant. A competitive job related selection process may be used to determine the order in which laid off employees on a preferred eligible list for a class will be referred for an interview.

A laid off employee may be removed from the department recall list or a preferred eligible list for any of the following reasons:

- The expiration of one (1) year from the date of layoff
- The expiration of one (1) year from the date of layoff
- Re-employment within the County
- Failure to accept employment or report to work.
- Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file with the County.
- Failure to respond within seven (7) days to a communication regarding availability of employment.
- Request in writing by the laid off employee to be removed from the list.

26.5 Status of Employees Reemployed from a Preferred Eligible List

Employees who are re-employed from a preferred eligible list shall serve a new probationary period, and otherwise be treated as a new employee with the following exceptions:

Former employees who are hired from a preferred eligible list shall be entitled to:

A. Placement at the highest step in the class into which they are hired provided that the salary upon rehire does not exceed the salary the employee was receiving at the time of layoff,

B. Reinstatement of credit for service time (ranking) as of the date of separation from County service,

C. Credit for all prior service for the purpose of determining vacation and sick leave accrual rates, and

D. Restoration of any sick leave balance credited to the employee's account on the date of layoff.

26.6 Restoration of Benefit for Recalled Employees

Any employee who has been laid off and is hired from a departmental recall list under the terms of this article within one (1) year from the date of layoff shall be entitled to:

- Restoration of permanent status for employees who are rehired from a departmental recall list and class from which they were laid off, and who have completed their probationary period. For employees who have not completed their probationary period, credit for that portion which has been completed shall be given if rehired from a departmental recall list.

- Restoration of all sick leave credited to the employee's account on the date he was laid off.

- Credit for all prior service for the purpose of determining vacation accrual rates.

- Placement in the same step of the salary range the employee held at the time of layoff.

- Reinstatement of credit for service time (ranking) as of the date of layoff.

26.7 Insurance Coverage

Each permanent employee who is enrolled in the County Health Plan at the time of layoff may, prior to the effective date of the layoff, elect to enroll in a health insurance conversion plan offered by our then current health plan administrative carrier. In the event the laid off employee so elects, the County will pay an amount equal to two (2) times the employee only premium at the time of layoff toward the cost of the health insurance conversion plan. The above insurance provision does not apply to employees who retire coincidental to their layoff.

26.8 Appeal Procedure

An employee directly affected by the operation of this policy may, within five (5) working days after a notice of layoff is received, request a meeting with a department head or the department head's designated representative to review the application of this policy as it affects the employee's status. The employee may be accompanied by a representative of the Union.

The Union, and only the Union, after making an attempt to resolve the matter informally, may with seven (7) days of the date of an alleged violation of this policy file a grievance for final consideration and determination at the department head level in accordance with the provisions of the grievance procedure in effect between the County and the Union. A grievance filed in accordance with this paragraph shall not be subject to Article 26, "Arbitration," of this Agreement.

Section 27 DISCIPLINE

27.1 Disciplinary Actions

The Appointing Authority or his/her designee may take disciplinary action against any employee in the service of Monterey County provided that the rules and regulations prescribed herein are followed and that any permanent or seasonal employee who is not on any form of probationary status has the right to appeal pursuant to this section, except as herein provided. As used in this section, "disciplinary action" shall mean dismissal, involuntary leave, disciplinary demotion, reduction in salary, disciplinary review, or written reprimand.

27.2 Notice of Proposed Disciplinary Action

In order to institute disciplinary action the appointing authority or his/her designee shall serve notice of the proposed disciplinary action in accordance with the following procedures.

Except as otherwise provided herein or when emergency or other special circumstances require immediate action, a notice of proposed disciplinary action (other than for written reprimands) shall be delivered to the employee, either personally or by the United States Postal Service, to the current address listed on the employee's most recent personnel action form, no less than five (5) calendar days prior to the effective date of any punitive action against the employee.

The notice of proposed disciplinary action shall include the following:

- A. The nature of the disciplinary action;
- B. The effective date of the action;
- C. The causes for the action in ordinary, concise language with the dates and places thereof, when known;
- D. A statement that identifies the material upon which the action is based and states that it is available for inspection; and
- E. A statement advising the employee of his/her right to respond either verbally or in writing to the appointing authority or his/her designee imposing the disciplinary action prior to the effective date, the right to be represented in that response, and that members of the bargaining unit are represented by SEIU Local 521, and the address and telephone number of the union office.

27.3 Notice of Implementation of Discipline

In the case of an involuntary leave without pay of three (3) working days or less or an involuntary leave with pay of twenty (20) working days or less, the involuntary leave may be imposed by a single notice containing items A, B, C and D of Section 27.2 above. This notice shall be delivered to the employee on or as soon after the effective date of the suspension as possible.

Except as provided above, in order to implement the proposed disciplinary action or a lesser disciplinary action based on the same cause(s), a notice of disciplinary action shall

be delivered to the employee, either personally or by the United States Postal Service to the current address listed on the employee's most recent Personnel Action form, on or before the effective date of the disciplinary action.

The notice of disciplinary action shall contain the information in items A, B, C and D of Section 27.2 above and, in addition, shall include a statement as to the right of appeal and representation by a party of his/her own choice and shall include a referral to the section of this Agreement concerning appeals from disciplinary action and shall include a statement that members of the bargaining unit are represented by SEIU Local 521 with the address and the telephone number of the union office.

27.4 Written Reprimand

An appointing authority or his/her designee may reprimand an employee by furnishing the employee with a statement, in writing, of the specific reasons for such reprimand. A copy of notice of the reprimand shall be given to the Human Resources Division for inclusion in the employee's personnel file, and shall not be subject to appeal, but the employee and/or his/her representative shall have the right to discuss the reprimand with the appointing authority or his/her designee. The appointing authority or his/her designee may correct the reprimand, or notice of reprimand, at his/her discretion. The employee may submit a written response that shall be placed in his/her personnel file.

27.5 Disciplinary Review

An employee may be placed on disciplinary review for a specified period of time not to exceed six (6) months for each such instance with the understanding that should the causes for such action not be satisfactorily corrected or remedied during the period, subsequent disciplinary action may be taken.

The six (6) month restriction shall apply only to managerial imposition of discipline and is not intended to restrict the ability of a third (3rd) party neutral to invoke a greater period of disciplinary review.

An employee on disciplinary review shall serve at the pleasure of his/her appointing authority during such review.

In the case of an employee serving disciplinary review, the forfeiture of appeal rights shall extend only to acts or omissions related to the conditions of such disciplinary review.

27.6 Involuntary Leave Without Pay

Any involuntary leave without pay invoked as a disciplinary action under this section against any employee in the County service, whether for one or more periods, shall not exceed sixty (60) calendar days in any one (1) calendar year; provided, however, that where an employee is placed on involuntary leave without pay because of criminal information or indictment filed against such employee, the period of involuntary leave may exceed sixty (60) calendar days and continue until, but not after, the expiration of thirty (30) calendar days after the dropping of charges, or the judgment or conviction or

acquittal of the offense charged in the complaint, or indictment has become final. An employee placed on such involuntary leave shall forfeit all rights, privileges, and salary while on involuntary leave.

The sixty (60) days restriction shall apply only to managerial imposition of discipline and is not intended to restrict the ability of a third party neutral to invoke a greater period of involuntary leave.

27.7 Involuntary Leave Pending Investigation for Disciplinary Action

An appointing authority or his/her designee may place an employee under his/her control on involuntary leave from his/her position at any time for reasons of investigation for disciplinary action. Such involuntary leave may be either with or without pay subject to the limits set forth in Section 27.6 of this article.

Written notice of such involuntary leave shall be given to the employee as soon as possible but not later than seventy-two (72) hours after such action is taken. Such involuntary leave is not a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action. In the event an employee is placed on involuntary leave without pay under this section and the appointing authority takes not disciplinary action, he/she shall reinstate the employee to his/her position and restore all rights and privileges and back pay for the time lost during the involuntary leave.

27.8 Reduction in Salary

An appointing authority may reduce the salary of an employee, for disciplinary reasons, provided that such reduction shall be to a step within the salary range of the classification of the position held by the employee. An employee so reduced in salary shall retain his/her anniversary date but shall not be eligible for advancement to a higher step in the salary range of his/her job classification for a period of six (6) months from the date such reduction in salary became effective.

27.9 Disciplinary Demotion

An appointing authority may demote an employee, for disciplinary reasons, to any position with a lower salary range, provided the employee meets minimum qualifications for the lower-level position. Such demoted employee shall not be eligible for promotion for a period of six (6) calendar months.

27.10 Dismissal

The continued tenure of each employee who has permanent status shall be subject to his/her satisfactory conduct and the rendering of efficient service. Should the cause for disciplinary action so warrant, an employee may be dismissed.

27.11 Absence without Leave Separation

An employee absent from duty for a period which exceeds three (3) working days without authorized leave shall be considered to have abandoned his/her position and to have automatically resigned.

Such resignation shall be rescinded by the appointing authority if the employee can show to the satisfaction of the appointing authority that it was impossible to contact the department of employment, provided the employee contacts the department within five (5) working days of notice of separation under this section through United States Mail.

27.12 Statute of Limitations

Any disciplinary action for cause against a county employee shall not be valid unless the notice of disciplinary action is served with one (1) year of the date of discovery of the event which gave rise to the cause of discipline. Matters of serious nature (e.g., fraud, embezzlement, falsification of records) shall require written notice to the employee of disciplinary action within three (3) years after the event which gave rise to the disciplinary action. Disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within the three (3) years after the discovery of such fraud, embezzlement, or falsification.

Nothing herein shall preclude the County from disciplining an employee for cause which consists of a course of conduct or history of performance that began more than three (3) years prior to the notice of disciplinary action. Such disciplinary and/or performance record of beyond three (3) years shall be used only to determine the disciplinary penalty to be imposed.

27.13 Appeals from Disciplinary Action

Only permanent employees, or seasonal employees with more than one (1) year of service, and who are not on probation, shall have the right of appeal from disciplinary actions other than written reprimands.

An employee who is eligible to appeal disciplinary actions under this section, may have other disciplinary appeal procedures available to them such as, but not limited to, the "LAPS" (Local Agency Personnel Standards) disciplinary appeal procedure. In such cases the employee must, at the time of filing of the initial appeal, indicate which appeal procedure he/she is filing under. This designation of appeal procedure at the time of filing shall constitute a binding election of that appeal procedure and an irrevocable waiver and forfeiture of any and all rights of appeal under any other appeal procedure.

The written notice of appeal must:

- A. State the basis of the appeal and contain a specific admission or denial of each of the material allegations contained in the notice of disciplinary action; and,
- B. Be filed with the County Administrative Officer within ten (10) working days of the effective date of the disciplinary action; and,
- C. Indicate which of the available appeal procedures the appeal is being filed under (for instance the LAPS procedure or the procedures set forth in this Agreement).

Appeals to arbitration shall only be filed by the Union.

Failure to appeal within the time limit set forth in this section shall constitute an irrevocable waiver of the right to process the appeal to arbitration.

Within ninety (90) calendar days of the receipt of the appeal to the County Administrative Officer the County and the Union shall agree upon an arbitration hearing date.

The parties shall select a mutually acceptable arbitrator.

The fees and expenses of the arbitrator shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

Section 28 PERSONNEL RECORDS

The County and the Union agree that personnel records are not subject to public inspection.

All personnel records are and remain the property of the County.

Employees shall have the right to inspect and review any official record relating to his/her performance as an employee which is kept or maintained by the County. When any comment adverse to an employee's interest is entered in his/her official personnel records, the employee shall have opportunity to read the adverse entry.

Notwithstanding any other provision of this item, County and the Union agree that an employee is not entitled to inspect or review such documents as reference letters, background investigations, records pertaining to investigation of a possible criminal offense, or material designated confidential by law.

At his/her request, an employee shall be provided one (1) copy of any document placed in the employee's file except for employment applications and those documents listed above.

An employee, or a staff representative of the Union with the prior written consent of the employee, may upon request inspect that employee's personnel file during regular business hours by appointment.

The appointing authority shall keep the official personnel records of all employees within his/her department.

It is mutually recognized that all performance related materials contained within an employee's personnel file may provide material substance and support to proposed and imposed disciplinary actions. Nothing in this Agreement shall preclude the use of any material in an employee's personnel file from being used in any proceeding involving the decision of the appointing authority to take disciplinary action against the employee.

Section 29 REQUEST OR APPLICATION FOR NEW POSITION

29.1 Transfers

The County retains the sole right to transfer employees from one (1) work site to another. Except when an immediate transfer is necessary to meet the requirements of the department, employees shall receive notice five (5) working days prior to the effective date of the transfer.

Employees who desire to be transferred within their respective job classes to a specific work location within their own department may submit a written request for transfer to the appropriate department representative. Such requests filed hereunder shall be retained for a period of one (1) year from date of filing and must be renewed if the employee still desires to be considered for reassignment beyond that date. Management shall respond to the request for transfer by notifying the employee of the status of their request within ninety (90) calendar days of its receipt.

When Management contemplates filling vacancies and/or openings by transferring employees from one work site or location to a different location, Management will consider the following criteria:

- The overall needs of the department
- Requirements of the job
- Ability to perform job
- The duration and/or permanence of the transfer
- Length of service with the department

29.2 Clerical Referral System

Effective upon implementation by the Human Resources Division, when applying for a position for which referrals are generated through the county clerical referral system, an employee may indicate department(s) in which he/she is willing and not willing to work. Once an employee has officially applied for a county clerical position, has passed the required clerical tests, and his/her application is active in the county clerical referral system, his/her application shall remain active until one of the following conditions is met:

- A. His/her clerical test results expire (currently one year from testing date).
- B. He/she withdraws his/her application.
- C. He/she accepts a permanent county position.
- D. He/she fails to respond to, or to accept, an invitation for a job interview in a department in which he/she has either indicated that he/she is willing to work or in a department for which he/she has not indicated that he/she is not willing to work.
- E. He/she has been referred for four (4) job vacancies in departments in which he/she has indicated that he/she is willing to work or in departments for which he/she has not indicated that he/she is not willing to work.

F. He/she fails to accept an offer of employment in a department for which he/she has indicated he/she is willing to work or in a department for which he/she has not indicated that he/she is not willing to work.

Section 30 USE OF VOLUNTEERS

No volunteer program shall have the effect of displacing any county employee. The County shall meet with the Union to discuss any Countywide volunteer program before implementing such a program.

Section 31 CONTRACTING OUT

The County and the Union agree to implement and abide by the provisions of the policy on contracting out which was adopted on March 23, 1982, and any modifications thereto to which the parties may agree from time to time insofar as it involves work that has previously been performed by employees in the unit. It is further agreed, however, that proposal to contract for work from third parties that involve labor costs of Sixteen Thousand Two Hundred Fifty Dollars (\$16,250) or less or for leases, lease-backs, lease purchases or other facility agreements, work required by law to be contracted out, and continuations of existing contracts are excluded from this section and the County may proceed with such contracts without notifying the Union.

Grievances alleging a violation of this policy shall be filed at step three. The only remedy which may be ordered pursuant to such a grievance is proper compliance with the policy. The Board of Supervisors may proceed without meeting and discussing if circumstances justify urgency action. Advance written notice of six (6) working days of intention to proceed on such a basis shall be given to the Union prior to any Board action; provided nothing herein shall hamper the Board's lawful exercise of authority under state law in emergency situations.

Section 32 POLYGRAPH EXAMS

It is agreed that the use of polygraph examinations shall be limited to pre-employment background investigations for any higher-level position and investigations in "Criminal Justice" departments into allegations or charges, which if proven true, may constitute the basis for criminal charges.

No bargaining unit employee shall be required to cooperate with, participate in or submit to any polygraph examinations as a condition of continuing employment except as specified above.

Section 33 EMERGENCY AUTHORITY

Nothing contained herein shall be construed to limit the authority of the County to make changes for the purpose of preparing for or meeting an emergency. For the purposes of this article, any changes in law or circumstances that significantly reduce currently existing or anticipated revenue levels shall be included within the definition of an emergency. Such emergency actions shall not extend beyond the period of the emergency.

Whenever practicable, the County will meet and consult with the Union prior to taking action under the authority of this section. After taking action under the authority of this section, the County, upon request, will meet and confer with the Union over the practical consequences that the emergency action taken had on those terms and conditions of employment that are within the scope of representation.

Section 34 REST and MEAL PERIODS

Rest Period

A full-time work day is eight (8) sequential hours of work exclusive of a meal period of at least thirty (30) minutes. There will be a rest period of 15 minutes at approximately each half-shift of more than four hours. A rest period is considered hours worked for pay purposes.

Rest periods may be suspended when unusual emergency conditions require continuous performance of duties in order to protect or preserve life or property.

Rest periods may be suspended for up to five (5) continuous days when short term staffing shortages require continuous work in order to provide essential services; additional suspension of rest periods within thirty (30) days due to staffing shortages requires approval by the Assistant CAO/Human Resources or NMC CEO.

Meal Period

A meal period is an off-duty time, away from all work assignments. Workers shall be granted a meal period of not less than thirty (30) minutes nor more than sixty (60) minutes. The meal period shall not be compensated time and every attempt shall be made to provide a meal period away from a worker's duties. In the event that this is not possible, the non-exempt workers will be compensated for that time in accordance with Section 10 – Overtime Eligible Employees

Section 35 PERFORMANCE EVALUATIONS

Performance evaluations are used to demonstrate to employees that they are valued; record how an employee's performance meet the requirements of the job; create a job history record; identify employee strengths and areas for enhancement; assist the employee and supervisor in an effort to attain the highest level of performance; and reinforce performance standards."

The County will make a good faith effort to ensure employee performance evaluations are conducted in accordance with County and departmental policy.

An employee who does not agree with the overall rating which he/she receives on his/her written performance evaluation shall discuss and attempt to resolve the differences with his/her immediate supervisor.

If discussion with his/her immediate supervisor does not result in resolution of the differences, the employee may file a written request to meet with the next level of

management. Said request shall state the unresolved issues and the specific changes in the written performance evaluation which the employee is seeking. The appropriate manager shall meet with the employee to discuss the unresolved issues.

If the issues are not resolved to the employee's satisfaction following discussion with the appropriate manager, the employee may within ten (10) working days file a written request for a meeting with the department head. Within ten (10) working days of receipt of a written request stating the unresolved issues and the desired changes in the written performance evaluation, the department head shall meet with the employee to discuss the issues. Within ten (10) working days of said meeting, the department head shall respond in writing to the employee. The decision of the department head shall be final and not subject to the grievance procedure.

Section 36 CONCERTED ACTIVITIES

The parties to this Agreement recognize and acknowledge that the services performed by the County employees covered by this Agreement are essential to the public health, safety, and general welfare of the residents of the County of Monterey. Union agrees that under no circumstances will the Union recommend, encourage, cause or permit its members to initiate, participation, nor will any member of the bargaining unit take part in, any strike, sit-down, stay-in, sick-out, slow-down, or picketing (hereinafter collectively referred to as work-stoppage), in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. In the event of any such work stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work-stoppage until said work-stoppage has ceased.

In the event of any work-stoppage, during the term of this Agreement, whether by the Union or by any member of the bargaining unit, the Union by its officers, shall immediately declare in writing and publicize that such work-stoppage is illegal and unauthorized and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. In the event of any work-stoppage the Union promptly and in good faith performs the obligations of this paragraph, and providing the Union had not otherwise authorized such work-stoppage, the Union shall not be liable for any damages caused by the violation of this provision.

The County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work-stoppage activity herein prohibited, and the County shall also have the right to seek full legal redress, including damages, as against any such employee.

Section 37 SEPARABILITY

If any section, subsection, paragraph, clause or phrase of this Agreement is, for any reason, held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining portions of this Agreement, it being hereby expressly declared that this document, each section, subsection, paragraph, sentence, clause and phrase thereof, would have been adopted irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid or unconstitutional.

Section 38 REQUIRED NOTICE

In the event Natividad Medical Center anticipates a pending merger, sale, closure, leasing assignment, divestiture, or other transfer of ownership and/or management of its operations in whole or in part, the Union shall be notified in writing sixty (60) days prior to the effective date of such action. The County agrees to arrange a meeting between the successor employer and the Union for the purpose of discussing a smooth transition of operations, employee wages, hours, working conditions, and Union recognition. The County also agrees to provide the Union a list of names and addresses of all Unit member employees.

This Article shall not be subject to the grievance procedure.

Section 40 FULL UNDERSTANDING MODIFICATION, WAIVER

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

Existing matters within the scope of representation which are not referenced in the Memorandum of Understanding and which are subject to the meet and confer process shall continue without change unless modified subject to the meet and confer process.

The County assures the Union that unless changes are warranted by operational necessity it does not intend, nor does it anticipate, during the term of this Memorandum of Understanding any change, modification or cancellation of wages, hours, and working conditions which are subject to meet and confer and which are presently in effect or contained in this Memorandum.

Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, although they may mutually agree otherwise, to negotiate with respect to any subject or matter covered herein or with respect to any other matter within the scope of negotiations, during the term of this Agreement.

Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless

made and executed in writing by all parties hereto, and if required, approved and implemented by the County's Board of Supervisors.

The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.
