ARTICLE 4 UNION SECURITY

4.1 Relationship Affirmation

The Union recognizes its obligation to cooperate with the County to assure maximum service of the highest quality and efficiency to the residents of Monterey County, consonant with its obligation to the workers it represents. The County and the Union affirm the principle of harmonious labor-management relations are to be promoted and furthered. The County and the Union agree that each employee shall be treated fairly, and with dignity and respect.

4.2 Agency Shop

A. Condition of Employment

The County agrees to deduct union dues and fees and such other deductions as approved by the Union's State Executive Board from paychecks of employees in the Union who designate in writing on forms provided by the County that they wish to have dues/fees deducted and paid over to the Union.

No other employee organization may have dues deduction in the SEIU Local 521 Social Services Union during the term of this Agreement.

For employees in the unit who have an authorized Union dues deduction on the effective date of this Agreement, or who subsequently authorize Union dues deduction, the County shall automatically continue such dues deduction.

All unit employees shall within thirty (30) days after their date of hire, be required to execute an authorization for payroll deduction of one of the following: 1) Union dues; 2) a service fee equal to ninety-five percent (95%) of regular Union dues; or 3) if he/she qualifies, a charity fee equal to the service fee payable to a tax-exempt charitable organization that is exempt from taxation under Section 501 (c) (3) of the Internal Revenue Code. The County will provide each worker with the authorization form.

If any employee fails to authorize one of the above deductions within the thirty (30) day authorization period, the Union may request that the County notify the employee in writing of her/his contractual obligation to authorize one of the payroll deductions. Upon such request, the County will so notify the employee.

If after the notification described above the employee still fails to authorize one of the deductions, the Union may seek enforcement through the courts.

B. Charity Fee Deduction

To qualify for the charity fee deduction, an employee must certify to the Union that she/he is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations. Such exempt unit employees will be required to submit to the Union a notarized letter certifying that person's membership in such a religion, body or sect, signed by an official of the bona fide religion, body or sect.

C. Service Fee as Condition of Employment

Employees hired into the unit who fail to authorize a union dues deduction or service fee deduction must, as a condition of their continued employment, authorize a service fee deduction within thirty (30) days following the beginning of their employment. The employee may avail her/him self of the service fee or charity fee options set forth above. If an employee fails to meet this obligation, the union will make written request to the County to take the necessary steps to separate that employee from County service. The County will inform the Union of all new hires.

D. Forfeiture of Deductions

If the balance of any employee's wages after all other involuntary and insurance premium deductions are made in any one pay period is not sufficient to pay deductions required by this Article, no such deduction shall be made for that period.

E. Petition, Election and Challenge

If a petition is filed with the County which requires an election rescinding agency shop and such petition contains signatures, collected within a forty-five (45) day period, of at least thirty percent (30%) of the employees covered by the provisions of this Article in the Bargaining Unit, an election will be held. Such election may be held only once during the term of this Agreement. The election shall be conducted by State Mediation and Conciliation Service. Voting election shall be by secret ballot and a majority vote of all employees in the Bargaining Unit covered by the provisions of this Article shall be required to rescind agency shop.

A unit employee who is subject to the payment of a representation service fee hereunder has certain legal rights to object to that part of the fee payable by her or him which represents the employee's additional pro rata share of expenditures by the union that is utilized for expenditures not incurred for the purpose of performing the duties incident to effective representation in employer-employee relations. An employee wishing to exercise these rights must contact the SEIU Local 521 Headquarters at 447 29th Street, Oakland, CA 94609

F. Financial Documentation

The Union shall within ninety (90) days after the end of each fiscal year provide the County with detailed financial documentation, which shall meet the requirements of Government Code Section 3502.5 and shall make said financial documentation available to unit employees.

The County agrees to provide the Union the name, department number, class, date of hire, and dues deduction status of all unit employees on a monthly basis.

G. Enforcement/Severability

In the event that the service fee provisions of Article 4 - *Union Security* are declared by a court of competent jurisdiction to be illegal or unenforceable, the parties agree to reopen this Article of this Agreement for the purposes of implementing Modified Agency Shop provisions to comply with the Court's order after appeals are completed and the order is final.

H. Hold Harmless

The Union agrees to indemnify and defend the County and its officers, employees and agents against any and all claims, proceedings and liability arising, directly or indirectly, out of any actions taken or not taken by or on behalf of the County under this Article. It is mutually understood by the parties that the County shall retain the right to select its own attorneys and to consult with same in the event the parties jointly declare or a court determines that a conflict of interest exists with respect to representation of the County by the Union's attorneys.

4.3 Union Notices and Activities

A. Union Orientation

The County shall allow Union Representatives twenty (20) minutes of the agenda during Department of Social Services and Health Department scheduled new employee orientation programs to provide information regarding the benefits and obligations of Union membership. Current employees transferring into a position represented by this Union shall be authorized to attend this portion of the New Employee Orientation. The Union Representative shall not make any comments which malign the County, its employees or officials.

B. Bulletin Boards

The County will furnish for the use of the Union, reasonable bulletin board space at reasonable locations. Such bulletin board space shall be used only for the following subjects:

- Union recreational, social, and related news bulletins/newsletters and/or newspapers;
- Scheduled Union meetings

- Reports of official business of the Union including reports of committees or the Executive Board.

All material shall clearly state that it is prepared and authorized by the Union. Any bulletin board kept in a public space shall be kept neat and orderly.

Union agrees that notices posted on County bulletin boards shall not contain anything, which may reasonably be construed as maligning the County or its representatives.

C. Visits by Union Representatives

Any Representative of the Union shall give notice to the Department Head or her/his designated representative when entering department facilities. The Representative shall be allowed reasonable contact with workers on County facilities provided such contact does not interfere with the workers' work. Solicitation for membership or other internal worker organizing business shall not be conducted during work time. For this purpose, lunch breaks and rest periods are not work time. Pre-arrangement for routine contact may be made on an annual basis.

i. Accommodation of Scheduling Requests

Supervisors will consider the requests of Unit employees before making scheduled work assignments. Where operationally possible, the requests of Unit employees will be accommodated. Overall needs of the unit, requirements of the job, and ability to perform the job will also be considered.

Hospital management will communicate successful methods of accommodating scheduling requests.

ii. Operational Union Access Procedures for NMC

Upon entry to NMC facilities, the Representative shall contact Human Resources person or their designee by regular phone or in-house phone, to report their presence, with a follow-up call or drop-in upon exiting. For the delivery of materials (i.e. ballots, informational flyers, etc.) that do not require more than cursory contact with members, the Representative will call the Human Resources Department upon entry to or exit from the facility.

D. Facilities

County buildings and other facilities shall be made available for use by the Union or its Representatives in accordance with administrative procedures governing such use.

E. Use of County Email System for Union Business

The County Email system may be used for Union Business in the following way:

- To send communications to the Administrative Office, Department Heads or other management personnel.
- To send communications to the Officers of the Union and Shop Stewards.
- To send communications to the members notifying them of union meetings.

- No confidential or individual-specific information may be communicated, such as information regarding a disciplinary action, etc.
- Messages may not malign the County, its employees or officials.
- Messages may not be used to coordinate job actions.

Violation of the County's Email Policy could result in the permanent revocation of this privilege.

4.4 Union Unpaid Leave of Absence

The County may grant time off to employees for official union business so long as the number of employees absent for union business does not impose an unreasonable burden on the County and the County receives reasonable notice. Only one employee at a time may be granted leave per department (DSES, Health Department and NMC).

In no case shall cumulative union leave exceed two consecutive pay periods per calendar year. In order to maintain medical benefits, one day of vacation or comp. time must be used by the worker if she/he is planning to use the two full consecutive pay periods. Employees will continue to accrue seniority, service credit and benefits during the time of the absence at the expense of the County. The impact of any union leave on the operations of the County must be considered.

The County and Union will work together to insure reasonable notice and to minimize impact on service delivery associated with this provision.

ARTICLE 5 OFFICIAL REPRESENTATIVES AND STEWARDS
--

5.1 Representation

The Union may select up to three (3) persons to act as Official Representatives. The Union will give to each Department Head the names of persons so selected.

Official Representatives shall represent the Union in jointly scheduled meetings with management to address common concerns without loss of pay and any meet and confer issues.

The County and the Union recognize that:

- a) It is in the interest of both parties that Elected Officers remain informed of the activities of the County relevant to effective engagement in interest-based bargaining and problem-solving;
- b) Disputes over release time to attend meetings where County business is conducted have led to grievances and Unfair Labor Practice charges in the past;
- c) County departments are subject to a mandate to provide effective and efficient service to the public.

Therefore, the parties agree to establish a pilot Release Time Program for Elected Officers as follows: Release time shall be granted to Local 521 Unit K Elected Officers up to a maximum of one hundred (100) hours per fiscal year for attendance at meetings of the Board of Supervisors, including standing subcommittees, and NMC Board of Trustees. The Union shall determine how the 100 hours will be distributed amongst the Elected Officers, provided that no more than 50% of the 100 hours shall be charged against the same department and no more than 50% of the 100 hours shall be charged against a single Unit. These parameters are established to ensure the operations of individual departments and units are not unduly disrupted. A request for use of Release Time shall be made at least 72 hours in advance of the meeting to the County Administrative Office of Labor Relations, which will be responsible for tracking the number of hours used. Under extraordinary circumstances, such as the addition of a special meeting of the Board of Supervisors, the County may authorize release time with less than 72 hours advance notice.

Recognizing that release time may impact a department's ability to generate revenue and fulfill its mandate, and/or increase the workload of coworkers, the parties agree to review the pilot program in May of each year of this Agreement. This evaluation shall include:

- a) Review of the number of hours used in each department and by each Elected Officer;
- b) Review of the impact of this release time on the Officer's and/or the department's ability to generate revenue and fulfill their mandates;
- c) Review of any complaints received from customers or coworkers stemming from the Officer's absence from the workplace due to use of this release time.

Should negative impacts be identified, the parties agree to work collaboratively to develop solutions that address the interests of both parties. [Agreed by parties 8/30/11]

5.2 Stewards

A. The Union may select up to twelve (12) Stewards plus a Chief Shop Steward for represented employees. Union will give to each Department Head a list of employees from her/his department who have been selected as Stewards. Only employees named on the current list will be recognized by the County as Stewards. New employees serving their initial probationary period may not be Stewards.

B. Stewards and Official Representatives will be responsible for the full and prompt performance of their workload.

C. Stewards shall receive no overtime for time spent performing a function of a Steward.

D. Stewards shall not conduct union business on county time, except as specifically authorized by this Memorandum of Understanding.

E. Stewards shall be authorized a reasonable amount of time off without loss of pay to investigate and prepare grievances and disciplinary appeals of employees subject to the restrictions in 'J' below.

F. Stewards shall have the right to serve as a representative for employees in grievance and appeal matters in accordance with the grievance and disciplinary appeals provisions of the Agreement. One Steward shall be permitted to attend formal meetings scheduled as part of the grievance procedure without loss of pay.

G. Before performing grievance and disciplinary appeal work, the Steward will obtain the permission of her/his supervisor and shall report back to her/his supervisor when the grievance or disciplinary work is completed.

H. After receiving approval of her/his immediate supervisor, a Steward shall be allowed reasonable time off during working hours, without loss of time or pay, to investigate, prepare and present such grievances and appeals. The immediate supervisor will authorize the Steward to leave her/his work whenever the supervisor determines that the Steward's absence will not interfere with the work of the unit. Where immediate approval is not granted, the supervisor shall inform the Steward when s/he can reasonably be expected to be released from her/his work assignment. However, in such cases the County will make every reasonable effort to grant access within the next working day.

I. When a Steward desires to contact an employee either the Steward or the employee shall first contact the immediate supervisor of that employee, advise of the need for a grievance/disciplinary action meeting, and obtain release by the supervisor to meet with the employee. When, in the best judgment of the supervisor, the investigation would interfere with the work of the unit, the supervisor will notify the Steward when s/he can reasonably expect to contact the employee. However, in such cases the County will make every reasonable effort to grant access within the next working day.

J. Stewards when representing employees against whom disciplinary action is pending subject to the following restrictions:

1. The Steward agrees that the issues which gave rise to the proposed disciplinary action are confidential in nature and will not be discussed with other employees, representatives of the news media or others who do not have a direct need to know the details of the proposed discipline. This restriction shall not preclude surveying or otherwise contacting other employees for the purpose of determining the existence of circumstances or issues similar to those in the proposed discipline among other unit members as long as the name of the individual involved and the specific details of her/his proposed disciplinary action is not discussed. The County may refuse to recognize or to deal with a Steward who violates this confidentiality.

2. At the request of the County, the Union will make a reasonable effort to use Stewards who are also employees of the same department and/or a Union staff representative.

Said request shall state the unresolved issues and the specific changes in the written performance evaluation, which the employee is seeking. The appropriate manager shall meet with the employee to discuss the unresolved issues.

If the employee was paid at a Y-rate above the highest step of the lower class, the five percent (5%) minimum increase shall not apply. Instead, the employee's salary shall be adjusted to the lowest step in the range of the higher class, which provides an increase in salary.

7.2 Salary on Reassignment

B. Place the employee at a Y-rate. Under Y-rate, the employee's Y-rate salary (current salary) stays in effect until either:

1. The range of the new (lower) class is increased, causing the step (immediately below the employee's Y-rate salary) to meet or exceed the employee's Y-rate salary; in which case the employee will be placed in that step; or

2. The employee's step eligible date occurs, in which case the employee will be moved to the next higher step in the range of her/his new class which is above the Y-rate salary.

Having now been assigned to a step in the new (lower) classification, the employee will be advanced to the next step as provided in the sections of the Personnel Policies and Practices Resolution governing step advancements, demotions and reclassifications.

7.6 Salary on transfer

An employee who is transferred from one position to another in the same class or to another class having the same salary range may upon the approval of the appropriate appointing authority be compensated at the same step in the salary range as he/she previously received and retain the same eligibility date for advancement to the next higher step.

B. Flexible Work Schedule

Department Heads shall accept, review and discuss proposals for flexible work schedules submitted by the Union. Changes in work schedules may be made on an office, work unit, or individual basis after consultation with the affected employee(s) and approval by the Director. Except in cases where administrative necessity requires a more immediate change, changes in schedules made by the employer shall be implemented after twenty (20) working days notice to the affected employee(s). The County agrees to notify the Union in writing of the intended changes. Changes in schedules requested by the employee and approved by the Director may be implemented with less than twenty (20) working day notice if mutually agreed upon.

It is understood and agreed that individuals have no vested right to any particular work schedule and that work schedules may be changed, subject to the time restrictions noted above, at the discretion of management.

8.2 Meal Period

A meal period is an off-duty time, away from all work assignments. Workers shall be granted a meal period of not less than thirty (30) minutes nor more than sixty (60) minutes scheduled at approximately the mid-point of the work day. 8.3 Rest Period

All workers will be granted a rest period of fifteen (15) minutes during each half shift of four (4) hours work. Rest periods shall be considered as time worked for pay purposes.

For example, if an employee receives calls at 1:00 p.m., 1:15 p.m., 1:20 p.m., 1:55 p.m. and the last call finishes at 2:10 p.m., s/he is credited for one hour and ten minutes, which under the County's Payroll Time and Leave Reporting policy, would round to one hour and fifteen minutes. And, if an employee receives calls at 1:00 p.m., 1:15 p.m., 1:20 p.m. and 1:45 p.m., s/he is paid for one hour, not four

No employee shall be paid for standby duty time and other compensable duty time simultaneously. Once the attempt to contact the employee is made NMC will not be required to pay the employee show up time. The employer shall maintain a log of each attempt to contact the employee. The employee shall be responsible for insuring that NMC is utilizing a valid, current contact number.

C. Once an employee is called off duty, the employee is not obligated to make him/ herself available for work.

D. The employee shall be entitled to two (2) hours show-up pay when an employee is called off duty after reporting to work for their regular scheduled shift.

E. The employee may use any Paid Time Off (PTO), compensatory or vacation time that is available in the employee's PTO, compensatory or vacation bank prior to the day they are called off. For purposes of this section, sick leave is not included in the time available for the employee's use.

G. Employees may be offered the opportunity, on a voluntary basis, to float to other departments within the hospital depending upon hospital needs and employee skills.

8.11 Overtime Work

Overtime work assignments shall be distributed among workers in the same classification and applicable work unit as equally as possible. Overtime shall be defined as time actually worked in excess of forty (40) hours in a work week beginning 12:01 a.m. Saturday and ending 11:59 p.m. Friday, except for employees opting to work a 9/80 or flex schedule and except for employees of Natividad Medical Center. Overtime for employees of Natividad Medical Center shall be defined as time actually worked in excess of eighty (80) hours in a pay period.

For the purposes of this Article, paid holiday, vacation, and compensatory time-off hours shall be considered as hours worked for the purpose of determining overtime.

B. Overtime Eligible Employees

If required and scheduled by management and if all other requirements for overtime pay are satisfied, an employee in an overtime eligible class shall be compensated at the rate of one and one-half (1½) times the regular rate of pay. Regular rate of pay shall be the rate of pay calculated as provided for by the Fair Labor Standards Act. Hours and the corresponding dollar values of County holidays, vacation, and compensatory time shall be counted in calculating the regular rate of pay.

Except as otherwise provided herein, employees in overtime eligible classes shall be compensated for overtime which has been authorized by their appointing authority, by either a) compensatory time off at the rate of one and one-half (1½) hours credit for each hour of overtime or, b) in cash at the rate of one and one-half (1½) times the employee's regular rate of pay. Compensatory time off (CTO) may be accumulated to a maximum of eighty (80) hours. When the individual employee has accumulated eighty (80) hours of unused CTO, then that employee shall be paid for any further overtime at the rate of one and one-half (1½) times the employee's regular rate of pay.

Compensatory time off will be scheduled with mutual agreement between the supervisor and the employee. When an employee has accumulated seventy-two (72) hours of compensatory time off, and the employee has not been able to arrange to take the compensation time off, management will make every effort to allow the employee to take this time off. If no agreement can be reached, the County reserves the right to require and schedule compensatory time off.

Such administrative leave shall not exceed two (2) working days in any pay period. The County Administrative Officer may approve additional administrative leave with pay upon written request from an employee's appointing authority showing special circumstances warranting such leave. Such approval shall be given in writing.

The provisions of this Section shall be administered by the appointing authority, but shall in no way establish any right to any type of overtime compensation for overtime exempt employees regardless of whatever records are kept by the appointing authority.

D. Administration of Fair Labor Standards Act

It is recognized that during the course of this Agreement, Congress and/or the Courts may extend or extinguish coverage of the Fair Labor Standards Act (FLSA) to employees of this Unit. It is agreed that the County may make such changes in Personnel Policies, this Agreement, or Departmental rules as in its determination may be necessary to comply with the provisions of the Act or rules and regulations promulgated by the Department of Labor in its interpretation and enforcement of the Act, provided that the County has first notified the Union in writing of the proposed changes and offered to discuss the proposed changes with the Union.

It is further agreed that should the FLSA cease to apply to employees in this Unit the County may, after giving the Union notice and an opportunity to respond, rescind any and all changes to the overtime provisions and practices that were made solely in order to comply with the FLSA and return those provisions and practices to their status as of April, 1985.

The change may not be effective until twenty-one (21) days after notice has been given to the Union.

The County agrees to observe all requirements of the Fair Labor Standards Act. The County will notify the Union of changes to the FLSA in writing and will discuss all implications as soon as they become aware of the impact of said changes.

The County and the Union agree to meet to explore the impact of the FLSA regulations as it pertains to exempt employee leave usage.

Documentation of such counseling shall be given to the worker. If such documentation is placed in the worker's personnel file, the worker shall be

notified. Department HR will notify the worker that the counseling memo has been placed in the worker's file and inform the worker of the right to have a written response placed in her/his personnel file. When the situation allows, counseling shall be used prior to a written reprimand being issued. However, other disciplinary action shall not be precluded should counseling not occur. At the request of the worker, the Department Head may on a case by case basis remove the counseling memo from the personnel file.

9.7 Written Reprimand

An appointing authority may reprimand an employee by furnishing her/him with a statement, in writing, of the specific reasons for such reprimand. A copy of notice of the reprimand shall be given to the Asst CAO - Human Resources for inclusion in the employee's personnel file and shall not be subject to appeal, but the employee shall have the right of rebuttal and to have the rebuttal attached to the written reprimand. An employee shall also be afforded an opportunity to meet with the appointing authority or designee, together with a representative of her/his choice, regarding the reprimand. The appointing authority may correct the reprimand at her/his discretion and shall provide written notice of any correction to the employee.

At the request of the worker and provided the worker has no additional negative reports, counseling memos, or reprimands and she/he receives satisfactory or above performance evaluations during the intervening period, the Department Head may on a case by case basis remove the written reprimand from the personnel file at the end of two (2) years.

9.8 Suspension Without Pay

Any suspension without pay invoked as a disciplinary action under this Section against an employee in the classified service, whether for one or more periods, shall not exceed ninety (90) calendar days in any one (1) calendar year; provided, however, that where an involuntary leave without pay is made because of criminal information or indictment filed against such employee, the period of involuntary leave without pay may exceed ninety (90) calendar days and continue until, but not after, the expiration of thirty (30) calendar days after the dropping of charges or the judgment or conviction or acquittal of the offense charged in the complaint, or indictment has become final. Employees suspended shall forfeit all rights, privileges and salary while on such suspension without pay.

9.9 Suspension With Pay

Notwithstanding other provisions of this Section, an employee may be suspended with pay and benefits for a period not to exceed twenty (20) working days upon a determination by the County Administrative Officer that circumstances exist that make the immediate removal of the employee to be in the best interest of the County and that the employee cannot be effectively used in her/his job classification within the Department.

9.10 Suspension Pending Investigation for Disciplinary Action

An appointing authority may suspend an employee under her/his control from her/his position for reasons of investigation for disciplinary action. Such suspension may be either with or without pay subject to the limits set forth in Sections 9.8 – *Suspension Without Pay* and 9.9 – *Suspension With Pay*.

Written notice of such suspension shall be issued to the suspended employee no later than the date that such action is taken. Such suspension will not be considered a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action. In the event that an employee is suspended without pay under this Section and the

appointing authority takes no disciplinary action she/he shall reinstate the employee to her/his position and restore all rights and privileges and back pay for the time lost during the suspension.

9.11 Reduction in Salary

An appointing authority may reduce the salary of an employee, for disciplinary reasons, provided that such reduction shall be to a step within the salary range of the classification of the position held by the employee. An employee so reduced in salary shall retain her/his anniversary date, but shall not be eligible for advancement to a higher step in the salary range of her/his job classification for a period of six (6) months from the date their reduction in salary became effective.

9.12 Disciplinary Demotion

An appointing authority may demote an employee, for disciplinary reasons, to any position with a lower salary range, provided the employee meets minimum qualifications for the lower level position. Such demoted employee shall not be eligible for promotion for a period of six (6) months.

9.13 Dismissal

The continued tenure of each worker who has permanent status shall be subject to her/his satisfactory conduct and the rendering of efficient service. Should the cause for disciplinary action so warrant, an employee may be dismissed.

9.14 Absence Without Leave Separation

An employee absent from duty for a period which exceeds three (3) working days consecutively without authorized leave shall be considered to have abandoned her/his position and to have automatically resigned.

Resignation shall be deemed effective upon the posting by United States Mail or Notice of Automatic Resignation, sent by the appointing authority or her/his designee to the last known address of the employee, as shown on her/his latest Personnel Action form.

Such resignation may be rescinded by the appointing authority if the employee can show, to the satisfaction of the appointing authority, that it was impossible to contact her/his Department of employment, provided the employee contacts the Department within five (5) working days after notice of the automatic resignation sent by United States Mail.

9.15 Statute of Limitations

As a general rule, no disciplinary action shall be valid against any County employee for any cause for discipline unless the notice of disciplinary action is served within one (1) year of the date on which the County reasonably should have known the facts and circumstances which gave rise to the cause of discipline.

Matters of a serious nature are the exception and a valid notice of disciplinary action must be served within three (3) years after the County reasonably should have known the facts and circumstances which gave rise to the cause of discipline. In addition, disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within three (3) years after the discovery of such fraud, embezzlement or falsification.

Nothing herein shall preclude the County from disciplining an employee for cause which consists of a course of conduct or history of performance that began more than three (3) years

prior to the notice of disciplinary action. Such disciplinary and/or performance record of beyond three (3) years shall be used only to determine the disciplinary penalty to be imposed.

9.16 Appeals from Disciplinary Action

A. Except as appeal procedures are available to probationary employees under Local Agency Personnel Standards (LAPS), only permanent employees who are not on probationary status shall have the right of appeal from disciplinary action. Such an employee may file an appeal from those disciplinary actions set forth in this Section, except for reprimands and/or, except for such appeal procedures as may be available under LAPS, suspensions of three (3) days or less. Said appeal must:

1. Be filed in writing with the Asst CAO - Human Resources within ten (10) working days following the date of the notice imposing disciplinary action or if appealing pursuant to LAPS procedures, within thirty (30) calendar days from the date of the action or notification of action.
2. State the basis for the appeal, and contain a specific admission or denial of each of the material allegations contained in the Notice of Disciplinary Action.
3. Indicate which one of the appeal procedures the employee wishes to avail her/himself of at the time she/he files the initial appeal from disciplinary action: a hearing by a Hearing Officer designated by the Asst CAO - Human Resources or appeal on their behalf by the Union to disciplinary arbitration as set forth in Section 9.17 - *Disciplinary Arbitration* or such additional disciplinary appeal procedures as are available to them [for example, but not limited to, Local Agency Personnel Standards (LAPS)]. In any event, the employee must at the time of filing the initial appeal indicate which appeal procedure she/he wishes to utilize. This designation of a particular appeal procedure constitutes an irrevocable waiver and forfeiture of any and all rights of appeal under any other applicable appeal procedure. If an appeal is filed without designation of the appeal procedure to be utilized, the employee shall be deemed to have made a binding election of appeal to a hearing officer appointed by the Asst CAO - Human Resources as set forth herein and waiver of all other procedures, including arbitration.

An employee, or her/his designated representative, may amend her/his appeal, if and only if the filing period allowed herein has not expired, to designate another of the appeal procedures provided herein.

B. Except as appeal procedures may be available under LAPS, the provisions of this Section shall apply only to permanent employees who are not currently on probationary status, who have at least nine (9) months of continuous service as a permanent employee in the class currently held.

9.17 Disciplinary Arbitration

A. Within ten (10) working days from the date of the notice imposing disciplinary action, the Union, and only the Union, may on behalf of an affected employee, appeal certain disciplinary actions to arbitration.

Those disciplinary actions which may be appealed to arbitration are:

- Involuntary leave without pay exceeding five (5) days;
- Reduction in salaries of over six (6) pay periods;

- Disciplinary demotion;
- Dismissal.

B. The parties shall select a mutually acceptable arbitrator. If the parties cannot agree on an arbitrator, they shall request a list of arbitrators from the California Mediation & State Conciliation Service. An arbitrator shall be selected by the parties alternately striking names from such list. The party to strike first shall be selected by lot.

The fees and expenses of the arbitrator shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

The decision of an arbitrator shall be final and binding upon the parties.

9.18 Amendment of Appeal

An employee or her/his designated representative may amend her/his appeal, if and only if the filing period allowed herein has not expired, to designate another of the appeal procedures provided herein.

9.19 Appeals

A. Appeal to Arbitration

If the appeal is from a disciplinary action which is subject to arbitration as set forth in Section 9.16 - *Appeals from Disciplinary Action* and the matter is appealed by the Union on behalf of the employee to arbitration, then that appeal will be processed in accordance with the procedures set forth in Section 9.16 - *Appeals from Disciplinary Action*.

B. Appeal to Hearing Officer

Appeals from disciplinary action other than written reprimand may be heard by a Hearing Officer appointed by the Board of Supervisors and as required under the Monterey County Personnel Policies And Practices Resolution No. 98-394 - Section C.13 – *Appeals from Disciplinary Action*.

C. LAPS

The official personnel file of each employee shall be maintained in the operating Department's Human Resources Division. Written material or drafts of written material to be placed in an employee's file shall bear the employee's signature or verification that the employee received a copy. An employee and her/his designated representative shall be provided with copies of any written personnel related material except routine clerical transactions upon request. When any comment adverse to an employee's interest is entered into an employee's official personnel records, the employee shall have the opportunity to read the adverse entry.

All personnel files shall be kept in confidence and shall be available for inspection by only the named employee, her/his designated representative, the Department's Human Resources Division in the performance of duty, and the supervisor and/or administrator with the specific responsibility to know its contents. Upon written consent of the employee, the union Staff

Representative or designee, may upon request, schedule an appointment during regular business hours to inspect that employee's personnel file.

 - b. Employees may be eligible for up to Eight Hundred Dollars (\$800) in tuition contribution for courses in either the undergraduate or Graduate Social Worker Program at San Jose State or a similar program offering degrees directly related to the work of the Departments. Employees may also be granted use of accumulated sick leave by their appointing authority because of illness of the employee's father, mother, brother, sister, wife, husband, child,

grandparent, or grandchild, eligible domestic partner or child of eligible domestic partner provided in the judgment of the appointing authority an emergency condition exists. In exceptional cases, such leave may be granted in the event of illness of an employee's father-in-law or mother-in-law, or father or mother of an employee's eligible domestic partner, when it can be demonstrated that a bona fide illness exists which warrants the employee's personal attendance during her/his normally scheduled working hours.

The appointing authority may require a physician's certificate or other substantiating evidence that such illness of one of the above listed family members exists.

This provision shall be applied in accordance with the Family Medical Leave Act and all other applicable State and Federal laws.

13.4 California Kin Care Law

Pursuant to the California Kin Care Law (California Labor Code Section 233), effective January 1, 2000, permanent and seasonal employees shall be entitled to use up to one-half of the employee's accrued sick leave days in any calendar year for the illness of an employee's child, parent, spouse, eligible domestic partner or child of a domestic partner. The appointing authority may require a physician's certificate or other substantiating evidence that such illness exists.

13.5 Parental Leave / Maternity Leave

A. Maternity:

Normal pregnancy and/or complications arising from pregnancy shall be considered an illness and shall be included within the provisions of this Section. An employee shall be eligible for leave of absence without pay for maternity leave of up to six months regardless of whether or not said employee has used all accrued sick and vacation leave. Said leaves of absence shall be approved in accordance with the provisions for approval of other types of leaves of absence without pay.

B. Other Parental Leave:

A unit employee may request a leave of absence without pay in addition to any vacation or sick leave taken in the event of the birth of a son or daughter or the adoption of a son or daughter or foster child. Medical certification may be required in conjunction with a family leave, except for leaves taken for baby bonding.

Said leave shall:

- Be provided under, and in compliance with the California Family Rights Act and the Family Medical Leave Act.
- Be granted for no more than twelve (12) weeks in a twelve (12) month period.
- Be granted, if eligible, and upon request, for less than two weeks duration on any two occasions within one year of the birth of the child, or one year from the date the child was placed with the employee for adoption or foster care.
- Be granted to no more than one (1) employee as a result of the same birth or adoption.
- Be granted, if eligible, intermittently within a 12-month period, and within one year from the date of birth or placement, in leave increments limited to the shortest period that the payroll system uses to account for absences or use of leave.

Said leave shall be approved in accordance with the provisions for approval of other types of leave of absence without pay.

13.6 Sick Leave Usage

For non-exempt employees, sick leave shall be taken in increments of not less than one-quarter (1/4) hour. Sick leave with pay may be granted by the appointing authority in case of bona fide illness of an employee. Within business needs, the County will reasonably release an employee to use their accumulated sick leave for medically related appointments for themselves and their family as defined in 13.3

An appointing authority or the County Administrative Officer may require evidence as to the adequacy of the reason for an employee's absence during the time for which sick leave is requested only if there appears to be a pattern of sick leave abuse.

Exempt:

For exempt employees, this shall mean that increments of less than a full day of sick time will not be deducted from any leave balance.

13.7 Bereavement Leave

Use of any accumulated leave balances shall be granted by the appointing authority because of the death of a member of the employee's immediate family. 'Immediate family' shall mean the father, mother, brother, sister, spouse, child, foster child, grandparent, grandchild, eligible domestic partner or child of eligible domestic partner, father-in-law, mother-in-law, daughter-in-law, son-in-law, step parent, step daughter, step son, step brother or step sister. Such absence by the employee shall be limited to ten (10) working days per occurrence.

It is the intent of the County to attempt to accommodate newly hired employees who have not accumulated leave balances and are faced with the death of an immediate family member as defined above. As a condition of granting leave for bereavement purposes, the appointing authority may request written verification of the loss.

13.8 Military Leave

Employees shall be eligible under the County Military Leave Policy. *(Questions regarding this policy and any revised versions should be directed to the County Administrative Office – Human Resources.)*

ARTICLE 14 EDUCATIONAL LEAVES
--

14.1 Educational Leave

Health Department employees, employees at Natividad Medical Center and Social Workers, Eligibility Workers and Employment and Training Workers shall be eligible for three (3) days paid leave per calendar year (January 1 – December 30) for training purposes relevant to their County employment with department administrative approval. Additional outside training time may be scheduled at management's discretion.

This leave must be taken during the calendar year and no carry over to future calendar years is allowed. Educational leave shall be scheduled in the same manner as vacation time is scheduled. No payment for unused Educational Leave time shall be permitted.

Employees hired on a permanent basis after the beginning of the calendar year shall be given a pro rata amount -- to the full hour of educational leave based on the number of pay periods

remaining in the calendar year in which they were hired. (e.g., hired at the beginning of pay period No. 8: $26 - 7 = 19$, $19/26 \times 24 = 18$ hrs).

14.2 Continuing Education

The Social Services Department and Behavioral Health Division of the Health Department will make reasonable efforts to sponsor in-house continuing education courses sufficient to meet the continuing education requirements for the licensed classifications of Clinical Psychologist, Psychiatric Social Worker I/II, Senior Psychiatric Social Worker, Social Worker IV and Social Worker V, Crisis Intervention Specialist I.

14.3 Licensure Fees

Bargaining Unit employees, who are not licensed in the State of California, and who are required to have a clinical license as a condition of employment, shall be reimbursed for initial license fees and any costs associated with obtaining the initial license, for a total lifetime employment cost not to exceed seven hundred fifty dollars (\$750).

ARTICLE 15 LAYOFF PROCEDURE
--

15.1 Policy

The County may lay off an employee because of lack of work, lack of funds, material change in duties or organization or in the interest of economy or causes outside the County's direct control.

Departments and employees required to be covered by other layoff procedures; i.e., Local Agency Personnel Standards, State Merit System for the Department of Social Services, or Anti-Recession Federal Regulations, shall be governed by those procedures.

Nothing in this policy shall preclude management, with the agreement of affected employees, from implementing a County Administrative Officer approved job sharing and/or part time work plan as an alternative to layoff. The County shall inform the Union regarding any planned reduction in force or layoffs which will affect unit employees.

If the proposed layoffs are due to lack of funds, the County shall contact the Union and offer to discuss the possible reduction and to invite suggestions for possible cost saving alternatives to layoffs. If alternatives to layoffs are not developed by the time the department determines a layoff should occur, the procedure outlined in this Article will be followed.

15.2 Seniority Defined

Seniority is defined as length of continuous service in a class series (as determined by the County personnel records) while occupying a permanent position (s) within the County department. Continuous service for purposes of ranking for layoff shall be defined to include work related injury leave up to one (1) year.

15.3 Order of Layoff

Layoff will be determined within County departments, not the County as a whole. In the event of a reduction in force in a department, the Department Head shall designate the classes and positions to be eliminated.

When one (1) or more workers performing in the same class series in a County Department are to be laid off, the order of layoff in the affected department shall be as follows:

1. Temporary employees in inverse order of seniority,
2. Probationary new employees (excluding promotional probationary employees) in inverse order of seniority,
3. Seasonal employees in inverse order of seniority,
4. Permanent employees in inverse order of seniority within a class.

The County shall be required to layoff only by the above order of layoff unless it can be demonstrated that a particular employee possesses 1) special skills or training or abilities essential to the functioning of the county, or 2) a past job performance or disciplinary record that would justify an alternative ranking, or 3) an employee may be subject to disparate treatment because of the layoff order.

15.4 Natividad Medical Center-Temporary Status Option

A permanent employee of Natividad Medical Center subject to layoff shall be entitled to assume temporary employee status in lieu of layoff provided the employee is qualified to assume the duties and responsibilities of an existing temporary position and class. No new temporary positions shall be created for the sole purpose of eliminating permanent employees.

15.5 Ranking in Previous Classes

A permanent employee may elect to be ranked with employees in any class with the same or lower salary in which the employee has served in permanent status in county service. An employee must notify her/his appointing authority within two (2) days after receipt of written notice of layoff of election of this option except if the second (2nd) day following notice of layoff is not a regularly scheduled work day, the employee may give notice on the next work day.

The definition of rank provided in this Section shall apply to the determination of rank for employees electing to be ranked for such classes.

15.6 Notice of Layoff

Workers subject to the provisions of this Article shall be given at least twenty one (21) working days written notice prior to the effective date of layoff unless delay results from consideration of demotion under the provisions of Section 15.8 – *Demotion in Lieu of Layoff*. Written notice of layoff will be delivered in person or by the United States Postal Service to the employee's latest address on file with the County. The notice shall include: reason for layoff, effective date of action, a reference to the provisions governing reemployment, and notice that employment counseling is available. The Union shall receive concurrent notice, and upon request, shall be afforded an opportunity to meet with the County to discuss the circumstances requiring the layoff and any proposed alternatives.

15.7 Transfer in Lieu of Layoff

In the event of notice of layoff, any worker so affected will be allowed to request a transfer to a vacant position in the same classification in any County Department/Agency.

15.8 Demotion in Lieu of Layoff

In lieu of layoff, the Department Head may offer a permanent employee a demotion to any class for which the employee is qualified and vacancies exist. Employees demoted in lieu of layoff

pursuant to this paragraph shall not be eligible for the "Y" rating procedure except as allowed in LAPS-State Merit System Rules. An employee who accepts a demotion in lieu of layoff shall have the right to his or her former class when an opening occurs and his or her seniority ranking warrants recall subject to the provisions of Section 15.9 – *Recall Lists*.

15.9 Recall Lists

The names of persons laid off under these procedures shall be placed on a departmental recall list for the class from which the employee was laid off for a period of one (1) year from the date of layoff. When filling any position, an appointing authority shall recall laid off employees from the departmental recall list for the class of the position in inverse order of layoff. During the one (1) year recall period, no new employee shall be hired nor shall any employee be promoted to a class from which layoffs have occurred until all employees on the departmental recall list in that class have had the opportunity to return to work.

However, when the best interest of the County requires an employee with demonstrated special qualifications, skill or training, or for equal opportunity considerations, the appointing authority may make an exception to the above order of recall in order to appoint said employee. The Union shall receive written notice of such plan.

If a worker on the recall list fails to respond to an interview or to accept offered employment, the employee's name will be removed from the departmental recall list. Such notice of interview or offer shall be sent to the worker's most current address on file with the County.

Every employee given notice of layoff may request employment counseling and evaluation in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a Preferred Eligible List. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, laid off employee's name shall be placed on a Preferred Eligible List for each class designated as a result of the counseling and evaluation. When the Human Resources Division receives a request to refer applicants to a department for a vacant position in a class for which there exists a Preferred Eligible List, the laid off employee on the list shall be considered for employment prior to any job applicant. A competitive job related selection process may be used to determine the order in which laid off employees on a Preferred Eligible List for a class will be referred for an interview.

A laid off employee may be removed from the Department Recall List or a Preferred Eligible List for any of the following reasons:

- The expiration of one (1) year from the date of layoff.
- Reemployment within the County.
- Failure to accept employment or report to work.
- Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file with the County.
- Failure to respond within seven (7) calendar days to a communication regarding availability of employment.
- Request in writing by the laid off employee to be removed from the list.

15.10 Status of Employees Reemployed from a Preferred Eligible List

Employees who are re-employed from a preferred eligible list shall serve a new probationary period, and otherwise be treated as a new employee with the following exceptions:

Former employees who are hired from a preferred eligible list shall be entitled to:

A. Placement at up to the highest step in the class into which they are hired provided that the salary upon rehire does not exceed the salary the employee was receiving at the time of layoff,

B. Reinstatement of credit for service (ranking) as of the date of separation from County services,

C. Credit for all prior service for the purpose of determining vacation and sick leave accrual rates, and

D. Restoration of any sick leave balance credited to the employee's account on the date of layoff.

15.11 Restoration of Benefit for Recalled Employees

Any employee who has been laid off and is hired from a departmental recall list under the terms of this Article within one (1) year from the date of layoff shall be entitled to:

A. Restoration of permanent status for employees who are rehired from a departmental recall list and class from which they were laid off, and who have completed their probationary period. For employees who have not completed their probationary period, credit for that portion which has been completed shall be given if rehired from a departmental recall list.

B. Restoration of all sick leave credited to the employee's account at the time she/he was laid off date of layoff

C. Credit for all prior service for the purpose of determining vacation accrual rates.

D. Placement in the same step of the salary range the employee held at the time of the layoff.

E. Reinstatement of credit for service time (ranking) as of the date of layoff.

15.12 Insurance Coverage

Each permanent employee who is enrolled in a County offered health plan at the time of layoff who: 1) is laid off subject to the provisions of this Agreement, and 2) enrolls in the health plan conversion plan, shall be issued a county warrant made payable to said employee and the County offered health plan in an amount equal to two (2) times the employee only premium at the time of layoff. The above does not apply to employees who retire coincidental to their layoff.

15.13 Appeal Procedures

Neither the provisions of this Article, nor their application shall be subject to any appeal or grievance procedure, except as provided below.

An employee directly affected by the operation of this policy may, within five (5) working days after a notice of layoff is received, request a meeting with a Department Head or the Department Head's designated representative to review the application of the policy as it affects the employee's status. The employee may be accompanied by a representative of the Union.

The Union, and only the Union, after making an attempt to resolve the matter informally, may within seven (7) days of the date of an alleged violation of this policy file a grievance for final consideration and determination at the Department Head level in accordance with the provisions of the grievance procedure in effect between the County and the Union. A grievance filed in accordance with this paragraph shall not be subject to 17 *Grievance Procedure* - Section 17.4 - *Grievance Procedure Steps*, Step 4 – *Grievance Arbitration* of this Memorandum of Understanding.

**ARTICLE 16
TRANSFER POLICY**

16.1 Voluntary Transfer:

A permanent employee who is not on probationary status and who wishes to be considered for a transfer to another position in the same classification within the Department shall notify the Department Human Resources Division in writing stating their specific transfer request and the reasons therefore. Such requests shall be considered based on, but not limited to, the following: hardship, staffing needs and date received. Upon request, the union shall be granted an opportunity to discuss voluntary transfer prioritization. Management shall acknowledge the request for transfer by notifying the employee of the status of her/his request within two (2) weeks. An employee who has been involuntarily transferred shall, upon request for voluntary transfer, receive first consideration.

If a voluntary transfer is not available, management may exercise its right to make an involuntary transfer. In such cases, management will attempt to give the affected employee ten (10) working days notice. Upon written notice of the employee to the department Human Resources Division, management shall: 1) make a reasonable effort to return employees who have been transferred between the Salinas, Peninsula, and South County areas to their original work site as soon as administratively feasible, and 2) give employees who have been transferred within the Salinas, Peninsula and South County areas first consideration in returning to her/his original work site.

This subsection is limited to physical transfers from one work site to another and does not affect assignment transfers.

Where mutually agreed by the County and the grievants, grievances involving more than one grievant may be filed directly at Step 2.

D. In no event shall a grievant be represented by more than one County employee at the grievance hearings except as provided in Article 5 - *Official Representatives and Stewards*.

ARTICLE 18 WORK LOAD

18.1 Target

A. Target Figures

The County will make a reasonable effort to keep public assistance caseloads at the State or County target. Should ongoing caseloads exceed ten percent (10%) of the State or County target for three consecutive months, it is the County's intent to continue its joint efforts with the Union to reduce excessive caseloads. Such efforts may include but are not limited to hiring staff to fill County allocated positions, redistributing cases to other workers, assigning cases to non-caseload carrying workers and use of overtime and compensatory time. In other program areas, the County will make good faith efforts to maintain reasonable caseloads.

B. Distribution of Monolingual Non-English Cases

The County's intent is to first assign monolingual non-English cases to certified bilingual workers. If there are insufficient certified bilingual workers to meet the need, all other monolingual non-English cases will equitably distributed to monolingual English speaking workers. It is the County's intent to be proactive and use good faith efforts in providing monolingual English speaking workers carrying monolingual non-English cases with resources for translation and translation services. In addition, reasonable efforts shall be made to maintain bilingual worker caseloads equal to monolingual worker caseloads.

In County departments where work is assigned according to specialized functions within program, i.e. referrals or assessments, the County intent shall be to equitably distribute the work assignments for bilingual workers and their monolingual peers. These efforts shall include but will not be limited to cross-training, use of overtime and translators.

C. Transfer opportunities for bilingual workers

It is the County's intent to honor qualified transfer requests of bilingual workers for transfer to other units within their respective departments while recognizing customer needs. Where an

evaluation of customer needs indicates a transfer is not immediately possible, the employee's request will remain active and be periodically reviewed. (*Consult your Department HR Division.*)

18.2 Mitigating Factor

The County will acknowledge as a mitigating factor in any discipline of any employee for poor casework performance, the fact that such employee's work load may have exceeded the caseload allocation factors.

For Eligibility Workers, "meeting standards" shall be based on 100% of the caseload allocation factors. Caseloads exceeding 100% fall into the category of "mitigating factors", as stated above.

18.3 Joint Quality Service Forum Committee

In the spirit of the Interest Based Bargaining Process started in May of 2005, the County and SEIU Local 521 remain committed to work together in partnership to ensure the Departments and its workers represented in this bargaining unit provide quality services to the community in a culturally competent and relevant manner which also addresses the needs of the workforce providing the services.

Joint labor-management meetings will continue to be welcomed in DSES. The intent of the Behavioral Health Division of the Health Department will be to establish a quarterly joint-labor management forum. The work of these committees (Behavioral Health and DSES) may include, but is not limited to: review of workload issues and quality work environment for the employees; issues conducive to reducing errors, increasing effectiveness and improving customer services; establishing a regular, vested workforce by minimizing the use of temporary workers to the extent possible; addressing issues of cultural competence and relevance for the workers and the public; and legislative review efforts.

The Union shall remain involved in ongoing service initiatives, and subsequently be invited to participate as one of the County's many recognized stakeholder in the planning, design and implementation of any new initiatives from the onset. Examples of such initiatives include C4, Family to Family, etc.

Joint recommendations from established workload meetings to the DSES Department Head, where appropriate, shall be made by the full committee and the Department Head will respond to committee reports within forty-five (45) days of said recommendations.

18.4 Non-Grievable
