

## BACKFLOW PREVENTION DEVICE TESTERS

The following is a list of backflow testers that have requested to be on Monterey County Health Department, Environmental Health Bureau, (MCHD, EHB)'s list. The list is not complete and should only be used as a guide in starting the search for a tester. MCHD, EHB does not endorse or recommend any of the testers over others or any tester that is not listed. MCHD, EHB recommends that you question prospective testers to verify their certification is current.
