

California Highway Patrol  
Monterey Area Office  
960 East Blanco Road  
Salinas, CA 93901  
(831) 770-8000

The California Highway Patrol Commercial Enforcement Personnel provide informational seminars on many specific topics, including:

- Maintenance inspection (pre-trip and level 1) procedures
- Basic Inspection of Terminals (BIT)
- Hazardous materials transportation requirements
- Hours of service
- Controlled substance and alcohol testing requirements
- Insurance requirements and fraud awareness
- Size and weight requirements and issues
- Rules of the road and driver safety tips

CHP Monterey Area office provides two educational programs. The Safety and Farm Labor Vehicle Education (SAFE) program. The Commercial Industry Education Program (CIEP) is a continuous educational program designed to provide information and safety awareness to everyone operating commercial vehicles.

Contact Officer Celia Capulin to schedule a presentation in English or Spanish. Early morning and late afternoon appointments are available. Ticket sign offs are available every Wednesday from 11:00 am to 2:00 pm. The ticket sign off location is near the Northbound on-ramp to US-101 at the end of Roy Diaz Street.
