Angie, the cat
Stays Home

Angie's mom tells her that, according to doctors, the best thing to do is stay at home.

Angie is WORRIED!

But Angie thinks her mom is wrong. She is sure that if she follows all the rules, she will be fine.

**Some things we can do to stay safe:**

- Wash your hands frequently.
- Wear a mask when you go out.
- Keep a safe distance from others.
- Avoid large gatherings.

Eventually, Angie's mom tells her that her mom also decided to stay home.

Every day after thinking about it, Angie goes and visits her brother who lives on the other side of the city.

**Safety measures:**

- Wear a mask.
- Keep a safe distance.

As the days go by, Angie finds that staying home isn't so bad. She now feels like she can do anything. And she keeps going out to visit her brother.

By talking to her brother, Angie finds that staying at home can be fun. She is learning to make homemade pizzas and other delicious dishes.

Angie knows that her mom's decision was right. Staying at home was the best thing she could do.

And Angie feels happy to be doing her part to help keep everyone safe.
