

# Monterey County Water Resources Agency Committee Member Application Process and Form

The Monterey County Water Resources Agency (Agency) is seeking applications for a vacant seat on the Basin Management Advisory Committee (BMAC). BMAC utilizes a combined roster of Agency Board of Directors (BOD) members and public members for advisory purposes, making recommendations to the Agency BOD for action. The vacancy is for a Public At-Large member.

Committee appointees influence decision-making processes at the Agency, and shape the Agency's future. The following criteria will be used to determine eligibility for service on an Agency committee:

- Availability to attend meetings regularly
  - Three consecutive absences would constitute removal from committee
  - Meetings are held at the County Government Center (1441 Schilling Place, Salinas)
- Willingness to remain open-minded on issues presented to the committee
- Applicants subject in the Agency's Groundwater Extraction Reporting program shall be in good-standing (no delinquencies)

The application window is open until filled. The Agency Board Chair will establish an ad-hoc committee to appoint the committee member.
