

USDA Offers Instructional Webinars on Coronavirus Food Assistance Program (CFAP)

This afternoon (6/4/2020) the U.S. Department of Agriculture's Farm Service Agency announced a series of webinars to help assist stakeholders that serve farmers and ranchers and Ag producers participating in the Coronavirus Food Assistance Program (CFAP).

The webinars are designed to help teach the basics of CFAP and show how to obtain additional resources to help you reach the Ag producers you serve. These webinars will be recorded and made available online after each live event.

The first webinar, [Coronavirus Food Assistance Program Stakeholder Webinar](#), will take place on **Friday Jun 5, at 3 p.m. ET** and is intended only for stakeholder organizations that serve farmers and ranchers.

Please preregister by clicking on the webinar link above to enter your name, email, and organization information. This allows FSA to ensure adequate lines for all participants on this webinar. Email fsaoutreach@usda.gov with any questions.

Producers, Farmers and Ranchers

Webinars for producers, farmers and ranchers will begin on June 9. View dates below and visit [FSA Outreach for more information](#). Ag producers can learn more about the Coronavirus Food Assistance Program and how to submit additional commodities for USDA consideration through the NOFA process.

Webinar Dates & Topics:

- June 9 at 3:00 p.m. EDT - Outreach CFAP Webinar for Specialty Crops Producers
- June 11 at 3:00 p.m. EDT- Outreach CFAP Webinar for Dairy & Non-Specialty Crops Producers
- June 16 at 3:00 p.m. EDT - Outreach CFAP Webinar for Non-Specialty Crops & Livestock Producers
- June 18 at 3:00 p.m. EDT- Outreach CFAP Webinar on FSA Programs in the Time of Coronavirus

Visit the [FSA webinar page](#) for pre-registration links.

Producers are also reminded of the CFAP Call Center available for producers who would like additional one-on-one support with the CFAP application process. Please call 877-508-8364 to speak directly with a USDA employee ready to offer assistance.
